## Kettler Kapers

By MRS. VIRGINIA JONES  
Lomita 1256-J

April 18 was an eventful day in the Gabrielle Saenz household at 2051 Reynosa drive. First, Mr. Saenz arrived at 4 a.m. from Aniwetok Island where he completed his six months construction job with Holmes & Narver company. After a few hours sleep, he and Mrs. Saenz journeyed to Torrance Memorial Hospital where his wife presented him with their fourth child and third son, Michael Anthony. The little lad was a

healthy 9 pounds 4 ounces and quite a handsome one, too. Their other children are Danny, Linda, and Charles, all proud of the new arrival.

weather on their trip.

Mrs. Anette Weldy, of 2134 Middlebrook road, is happy to announce the engagement of her sister, Miss Rowena Johnston, who resides with her, to Mr. Robert Askew of Hawthorne. Miss Johnston at present is employed at Harbor General Hospital and Mr. Askew is employed at Northrup Aircraft Company. The wedding will take place as soon as the happy couple set a date. Best of luck!

Congratulations to Sam and Bessie Snyder, of 1930 Middlebrook road, upon the arrival of their third child, Stanley Alfred. Hospital recorded his arrival there and his weight at 7 pounds, 9 ounces. His brother and sister are Karen Diane, 5½ years old, and Larry, 3½ years old. Proud grandparents are Mr. and Mrs. E. F. Buzick of Harbor City, and Mr. and Mrs. Hal Snyder of North Wilmington.

Mrs. Vivian Wise, of 1726 West 235th street, entertained at her home last Friday evening with a lovely canasta party. Her guests were Mesdames Jo Devich, Georgia Stroub, Bernice Howland, Jewel Holmes, Iris Duncan, Leona Wimmell, Thelma Setser and Helen Bell. Delicious

refreshments were enjoyed by the group.

Folks who arise at the early hour of 1 a.m. to go fishing must be quite enthusiastic about this sport. The West trio, Walt Miller, and son Bobby of Reynosa drive did just that last Saturday and journeyed to San Vicente Lake where they made a haul of blue gill. Did you run out of gas on the lake, Walt? It's a joke, bud!

C. L. and Edna Crosswhite and children of 1933 Reynosa drive enjoyed quite a terrific picnic last Sunday at Ladera Park with a family gathering numbering 53 persons attending. And they're all related, too! The Crosswhites entertained at their guests last week Mrs. Edith Smallwood and daughter Nancy of Weston, Texas, and Mr. and Mrs. Don Blackwell of Dallas, Texas, who also enjoyed a gay reunion Sunday.

Mrs. Crosswhite received a long-distance phone call from her brother, Pvt. Hugh Gracy of Arkansas, who is due to arrive here for a visit before going overseas.

Ivan Coleman, of 1908 Middlebrook road, has two cousins who flew out here from Tulsa, Oklahoma, just to go fishing! They arrived Sunday noon, fished all

day Monday and were enroute back to Tulsa Monday night. We should tell our Chamber of Commerce about that, don't you think? The fellows are Homer and Andrew Perkins—and do come back! The fishing at San Clemente must have been good.

Congratulations to Harry and Emma Lou Toman, of 1807 Calamar street, upon the arrival of their first child, a son, Clifford Harry, born April 19 at San Pedro Community Hospital weighing 6 pounds, ½ ounce. Happy grandparents are Mrs. Minnie Toman of San Pedro, Mr. Cecil Whisenhunt of Long Beach and Mrs. Hazel Whisenhunt of Wilmington.

Congratulations also to Richard and Verdel Hogue of Santa Fe avenue who are announcing the arrival of their first child, a charming little daughter, Janice, who arrived at Torrance Memorial Hospital Sunday, April 22 and weighed all of 5 pounds, 14 ounces. Mrs. Hogue is the former Verdel Galloway, daughter of Mr. and Mrs. Floyd Galloway of Torrance, and a local high school graduate. Grandmother Mrs. Sara Hogue, also of Torrance, is justly proud, too!

Ruth and Norwin Bueche, of 1734 West 235th street, are home following a most enjoyable two weeks trip to San Francisco, Crater Lake, Oregon; and Yosemite.

Looks like it won't be long now—the modern food market on Western avenue is now getting stocked with groceries on those new shelves, and we are all looking forward to the opening of this store. In the block, too, are a liquor store and a

dry cleaning establishment. An ace trumpet player is Benny Watson who recently won first place in the National Music Contest for Southern California in Fullerton. Yesiree, we're mighty proud of him down here in Kettler Knolls. He resides with his mother, Mrs. Joseph Jarvis, at 23228 Felena street.

Mr. and Mrs. Herman Edgren, of 1735 235th street, made an emergency trip by United Airliner to Portland, Oregon, last week in order that Mrs. Edgren could be with her mother who is seriously ill in that city. The air trip was wonderful, exclaimed the Edgrens, but they are still quite worried over her mother's condition. Let's wish for her recovery.

## Reflections

By J. Hugh Sherkey, Jr.

### DAYLIGHT SAVING TIME IS HERE

We will have another hour to play—tennis, ball, golf or romp with the children.

It is hard to believe that extra hour of daylight builds up the level of water behind a power dam or conserves the stock pile of fuel at our powerhouse, but it does. It is difficult to realize that it affects our health, consequently our pocketbook, but it does. Automobile accidents are less; more persons go to and return from work during daylight hours. Crosswalk accidents decline, too. Child delinquency is reduced; children playing on a field are less likely to get into mischief than as a gang in a dark cellar somewhere. Our light bills are less; we find amusements that do not require artificial illumination.

Daylight Saving Time begins midnight, April 29th. Cash in on this extra hour; it is an extra dividend from Old Sol.

## Motorist Aids Attack Victim

Assistance from an unknown motorist last week may have saved the life of Mrs. Margaret W. Massey, 2075-D Torrance boulevard.

Mrs. Massey was enroute to Canton, Ohio when she suffered a heart attack 80 miles from Kingman, Arizona on April 15. One of the motorists who stopped happened to have in his possession some digitals—a heart stimulant. The drug revived her long enough to reach Kingman, where she was placed in a hospital.

She suffered another attack, although not so severe, on the return trip to Torrance. She plans to return to Arizona for additional treatment.

**PRESIDES OVER CONFERENCE**  
El Camino College president, Forrest G. Murdock, was the presiding officer at the first session of the "Articulation Conference of Affiliations" held last Friday morning at UCLA. The conference meets every two years to discuss problems of universities, state and junior colleges, and high schools.
