Walteria News Notes

By BETTY MITCHELL

Guessing games and paper sack lunches furnished entertainment for a large group of women on Thursday, April 26, when the Pandora Club held their meeting at the Recreation Hall. Prizes for the games were awarded to Mrs. Jasper Frislin, 244th street; Mrs. J. J. Snow, Ocean avenue; and Mrs. R. B. Pendleton, Hawthorne boulevard. Mrs. Virgil Hancock, who has recently moved into a new house on Madison street with her family, and Mrs. Pierre Jewell, hostesses were Mrs. Nathan Gordon.

cal majors at Southern California Bible College at Costa Mesa, California. Fred was a graduate of Narbonne High School in the class of '48.

Mrs. Nathan Gordon left Saturday, April 28, for Muskogee, Oklahoma. Her trip was occasioned by the illness of her mother. We sincerely hope that good news will soon reach us concerning her mother's condition.

Our sincerest sympathy is extended to the family of Paris B. Tuttle, formerly of Hawthorne boulevard who passed away May 2. Mr. Tuttle had been a resident of Walteria for many years, and leaves many friends. Funeral was held at the Assembly of God Church, Hawthorne boulevard.

Congratulations go to Mr. and Mrs. Jack Call, Danaba street, upon the birth of a lovely baby girl born at the Hollywood Presbyterian Hospital at 5:45 Sunday, May 6. Both mother and daughter are doing fine.

At a recent meeting of the Brunch Club of the Torrance Methodist Church, Mrs. Paul Bowen, Danaba street, was elected president. We wish her luck as she takes up the responsibilities for the coming year.

Among the small fry home from school because of sickness, little Arleen Grey, Niece avenue, was suffering from the measles. She has been seriously ill with them, and we hope that she will soon be able to make rapid recovery.

Also homesick was little Jerry Carrillo, Hawthorne boulevard, who burst out with a very beautiful case of chicken pox. We also send our best get-well wishes to him.

English Class Offers Adults Citizenship Aid

A free adult class in English for Foreigners and English for Citizenship is held each Monday night from 6:30 to 9:30 in room 207 of Torrance Evening High School. All adults, regardless of residence, are invited to join this free class. People from all countries are invited to learn to read, write and speak the English language. They are coached in American History and American Civics, designed to help them pass their citizenship examinations and to make them better satisfied and better Americans.

Since each person has his own background, instruction is mainly on an individual basis and persons are invited to bring their own personal problems to Miss Helen Lockwood, the instructor.

Included in this course is help in reading for those who have never been able to read with the ease and understanding they desire. A section of the class is also devoted to practical English where people are taught the rules of spelling, punctuation, grammar and simple English.

Adults are asked to go directly to class next Monday night in room 207 of Torrance High School to register.
