# Kettler Kapers

By MRS. VIRGINIA JONES  
Lomita 1256-J

With the Torrance Flower and Hobby Show and the Youth Band Parade both successful events of last week now behind us don't forget that the Torrance Youth Band concert will be held on June 9th! Tickets are only 25 cents.

A very lovely and yearly affair was the joint wedding anniversary and birthday party held at the home of the Herman Edgren's at 1735 West 235th street last Sunday. It was the twentieth wedding anniversary of the Edgrens, the 14th birthday of their son Claude, the nineteenth wedding anniversary of Dorothy and Al Hoop of El Monte and the fourteenth birthday of their son Buddy! They have celebrated every year since the Edgren's marriage... we can't blame them with all these reasons. Congratulations to all of them. A delicious dinner and refreshments were served to honored guests the Al Hoops and their children. Mrs. Hoop of Beaumont, Elinore and Boyd Leavitt and son of Long Beach and Mr. Leavitt Sr., Harry and Pearl Knighton of Los Angeles, Thurlow and Erwin Whitcomb and family all of Torrance.

**Jim and Jerry Withycombe** of 23033 Huber street hosted a lovely buffet dinner party last Sunday. Their guests were Mr. and Mrs. Jay Nielson, Mr. and Mrs. Joe Helphand, Mr. and Mrs. Gene Beavers, Mr. and Mrs. Jim Morehead, Mr. and Mrs. Jerry Loy, Mr. and Mrs. Morris Gilmore.

**Dick and Alberta Gresham** and children Gary, Richard, Ronald and Beverly of 23110 Huber street have returned home from a wonderful trip to Peoria, Illinois where they visited with their parents, Mrs. Arnold and Mr. and Mrs. H. Corrie Peoria. An interesting note to future

vacationers is in the fact that they drove night and day for 50 hours as they only had two weeks. That way, they enjoyed a few extra days visit.

Of interest to all mothers is another Home Nursing class which will start May 28th at Torrance High School. It's a three-week course, Monday and Wednesday evenings 7:30 to 9:30 p.m. Don't forget you'll receive a Red Cross certificate upon completion of this course. Instructor is Miss Reintema. If you're interested in taking a first aid course, too, let your Red Cross office know about it. Telephone Torrance 1524.

**Mrs. Phyllis Wolters** of 1844 Marinette street was hostess last Tuesday evening, May 22 to a group of neighbors who meet once each month. They enjoyed their evening of chatting and sewing and were served refreshments by Mrs. Wolters.

A thoroughly surprised person was Mrs. Louise Finch of 1903 Reynosa drive recently when a group of friends dropped in to

# Blueprint Class Offered Weekly

A free adult class open to all regardless of residence, in blueprint reading, drafting, and industrial practices is held each Tuesday night at 7, in room 106 of Torrance Evening High School.

Instructor of the class, Carroll Edson, is a practical industrial engineer, who is working with Cal-Metals Corporation in an engineering designing capacity, and is lending his industrial know-how to help students learn the fundamentals of blueprinting to them in their daily jobs.

He will take up the elements of drafting through advanced stages and will show students how they can apply drafting knowledge to advance themselves in their jobs and their future. He will discuss everyday industrial problems of engineering and design that are related to the blueprint and drafting fields.

Adults desiring to attend this free class are requested to register at its next regular meeting on Tuesday night in room 106 of Torrance High School.

honor her with a party celebrating her birthday. Arrangers of the affair were her husband, Mr. A. William Finch and his mother, Mrs. Moll Finch.
