

FROM HOLLYWOOD... Jimmy Dodd, comedian in the un-released "G.I. Jane" 20th Century-Fox musical comedy, will make a personal appearance at the Torrance High School "Oscar" banquet on May 31 to present awards to the best actors and actresses at the local high school.

## Actor, Composer Promises To Attend 'Oscar' Banquet

Jimmy Dodd, 20th Century-Fox actor and song writer, has informed the membership of the Tartar Theatre Guild and Thespians, he will attend the organization's "Academy Awards Banquet" on May 31.

The local group is composed of Torrance High School dramatic students.

Under the supervision of Danny Desmond, dramatics instructor, the group will stage a Hollywood style awards banquet in the Torrance Civic Auditorium to award "Oscars" to the best actor and actress, best supporting actor and actress and to other students deserving of special awards.

Parents of all members of the drama group have been invited to attend.

A re-staging of the one-act play, "The Happy Journey," will highlight the entertainment of the evening.

The Thespian troupe, a new organization on the local campus, will be installed by the San Pedro Thespians.

Song writer Dodd recently won national recognition for his composing efforts by winning the Washington, D. C. theme song contest and the \$1000 first prize which was presented to him in the nation's capitol city.

We assume most of you saw the automobile that was wrapped around the light stand on Roberts Road last week. Two of our neighbors were the unfortunates involved. Jan Darian and Howard Trimmer of 5257 Bindewald Road were pretty thoroughly skinned, bruised, and shaken but otherwise allright. Seems Jan just lost control of the car.

While we are on the topic of these two, we have an announcement to make. Mr. Darian is the producer of the "June Jubilee" variety show to be held at the Torrance Civic Auditorium, co-sponsored by the Torrance Recreation Department and the American Legion for the benefit of junior baseball in Torrance. Many name stars of TV and radio will appear in the 15-act two hour show. Jan Darian will do his interpretive dance "War and Peace" which he did at a command performance for the King and Queen of England some years ago. The tickets are \$1 for adults and 50 cents for children. They may be obtained from Mr. Trimmer at above address or by calling Frontier 54046. Let's be good neighbors to Jan, to Torrance, to our junior baseball players, and give ourselves a real treat—LET'S GO!

Edgar and Amy Lyceing of 5315 Bindewald Road and their son, Ronnie, bid a sad goodbye to Amy's folks, Mr. and Mrs. James Russell, who have been with them since last September. Amy's brothers, Charles and James, and James' wife and daughter, Ruth and Judy arrived from Evansville, Indiana May 11 and left May 15, taking the Russells with them. In their short stay in the Heights they made many friends and we will all miss them. Especially Esther Johnson, who shared so many wrestling matches with them.

We proudly introduce two new families this week. Proudly, because they already have shown their desire to be a part of our activities. Both are interested in doing what they can for our Villan Defense. At 5141 Zakon we have Mr. and Mrs.

Eugene Eberle and their son, and at 5124 Macafee Road, Mr. and Mrs. Robert J. Ledwidge and their boy and girl. Welcome, all of you.

The stork came winging back to the Heights last April 27, and left Mr. and Mrs. Dugan Vercellono of 5145 Zakon Road a sweet little baby girl. She weighed six pounds, three and one-half ounces and is called Mary Robin.

Ten very lucky Boy Scouts of Troop 726, Southmaster Floyd Holstin, and Frank Parent of the Ranchos spent two and one half unforgettable hours aboard a destroyer at the Long Beach Naval Base. They accepted the invitation to the Re-commissioning Ceremonies extended by Captain J. Y. Dannenberg.

The Girl Scouts of Troop 1055 held their Court of Awards at El Retiro Park last Friday. Peg Gravin, Dorothy Johnson, Jane Parent, and Mrs. Lawrence directed the ceremonies and presented the awards.

Betty Holstin and Arlene Weber of Zakon Road attended the May Festival of Arts at Redondo Union High to see their very good classmate, Carolyn Bledsoe of Sharyne Lane, do her part in the Hindu Nautch Dance.

We do not enjoy being bearers of bad news but feel the following should be told. Mrs. Joe Shields of 5226 Bindewald Road had two brand new uniform shirts taken off her clothes line last Saturday afternoon. So take heed! And, animal lovers, poison is out somewhere close. Either by mistake or design. One cat is dead, one dog seriously ill. If you could ever see the agony of poisoning we are sure you would keep your pets tied up or in your yard. Many complaints on loose dogs have been filed recently and the Humane Society is on the prowl!

Master Sgt. Paul Drake, back from Korea, visited his name-sake and Godchild, Paul Herbst and his family, last week-end.
