## Thousands Visit Art, Flower, Hobby Show Here

Torrance's fifth annual Art, Flower, and Hobby show was a howling success. If the beaming faces of the many ribbon winners in the event mean anything.

More than 2900 persons from all over the Southland stopped by the Civic Auditorium last weekend to see the many displays of flowers, art collections, hobbies and other diversions which occupy the time of hundreds of Torrance area residents.

Top winners included Dr. P. H. Lissman, who won the art sweepstakes with his water color entries; H. Ischida, who won the flower sweepstakes with his dish garden and waterfall; and James H. Scott, whose wood carving exhibit won the hobby sweepstakes.

Mrs. Lela Broderick, general chairman of the 1951 show, expressed her gratitude this week to those organizations and individuals who had contributed time and money for the show. She was especially grateful to the Rotary, Kiwanis, Optimists, and Lions clubs, she said, and

to the Woman's club and the Junior Woman's Club.

Judges for the show also came in for their share of the gratitude of members of the committee, according to Mrs. Douglas McClay, who handled all of the publicity for the show. Sponsors of the show, the Torrance Civic Improvement Association and the Department of Recreation, acclaimed the 1951 show "one of the best."

## Association Planning Come-As-You-Are Feed

## NORTH TORRANCE TATTLER

North Torrance is fairly "bust-in" its buttons over winning the grand prize for floats in the Youth Band Parade held in Torrance this past Saturday. The North Torrance Civic Association was the only organization of its kind entering a float. Many interesting ones were entered including an entry of a crew of carpenters actually building a house complete with paint job during the course of the parade.

North Torrance entered "Master Park Playtime" a very colorful float loaded with paper roses, daffodils and daisies. The small playground equipment was made by Messrs Black, Alford, and Richter. Those children riding the float were: Barbara Dyer, Vickie Richter, Sheldon Black, Russell Black, Louanna Alford, Anna Beth Blount, Mary Jan Bates, and Darrell Bronson. The Girl Scout walking alongside was Carol Williams; Cub Scout, Billie Mills; Brownie, Deanna White; and Campfire Girl, Judy Brightenfelt.

Everyone is very proud of this achievement and President Johnson wishes to thank everyone who participated, especially Mrs. Jerry Bronson, chairman of the ladies who gave much of their time making the flowers and decorating the entire float into a riot of color. These helping were: Juanita Alford, Eleanor Black, Betty Johnson, Myrtle Dyer, Helen Wood, Audrey Richter, Helen Clayton, Ruth Brooks, Ann Collins, Sally Collins, Dorothy Lindsey and Helen De French. Three cheers went up from the teen-agers as they spotted

Sandy Gulbranson our entry for Miss Torrance 1951. Congratulations to everyone involved!

"The Kickin' Chickens" a Northrup Square Dance Club, gave a wieners roast at Playa Del Rey this week. Some 30 members attended including Mr. and Mrs. Russell Holschek and family, 17033 Glenburn avenue and Mr. and Mrs. Alex Bates, 17039 Glenburn avenue.

Dave Dyer's card party at McMaster Hall this Saturday brought out the usual amount of "sharps." Those "copping" the prizes were Ann Collins an oil change, Walt Bronson a free clothes wash, Paul Clayton a case of coke, and Mrs. Runstead won a new hair-do. All in all it was a pleasing evening with a good time, good food with good friends.

Dr. Markham of N. T. Elementary School has examined 105 children of pre-school age this past week. The PTA members served coffee and doughnuts to the mothers.

Mrs. Ralph McBee entertained her sister, Miss Margaret Unzicker of San Luis Obispo in her home at 17315 Atkinson avenue this past week.

Mrs. Helen Wiebe, 17303 Atkinson avenue, still has room for more papers and rags in her garage. The Community Church Building fund is growing, let's all get behind this drive and swell the seams of the Wiebe's garage! June 2 is the deadline.

## PRIMARY FIBROSITIS and PAIN

PRIMARY FIBROSITIS is a painful condition which has not received a great deal of attention. In fact, it is often misnamed and called something else. It is an inflammation of fibrous tissue and I have found it in many parts of the body, especially the lower back and extremities.

The cause is unknown. However, many of my patients notice that the symptoms start, or become more acute when they have had influenza, exposure to damp or cold weather, fatigue and over-exertion.

It is my opinion that infected foci, constipation and colitis are of importance in causing fibrositis. Recently I read that twenty-five percent of the patients at a hospital for rheumatic diseases were there for the treatment of fibrositis.

In my practice I have had remarkable success in relieving primary fibrositis.

You are always welcome to consult with me concerning your health problems. Of course there is no charge for consultation.
