**Walteria News Notes**

By BETTY MITCHELL  
Phone Lomita 2635-W

Well, school has adjourned for another summer vacation, and the town is filled with the sound of many joyful voices as the kids all look forward to a couple of months of leisure and fun. It is perhaps a good time to remind all the parents of the supervised playground which is at the park here in Walteria. The youngsters will have a lot of fun playing on the equipment there and also in playing the many games which have been planned for them. There will also be free movies in the afternoon on many Saturdays. A bulletin of the coming movies is always

posted on the Post Office window on Hawthorne boulevard. Here's to a healthy and happy summer, kids!

**Another word about the reading project** held for the grammar school children at the library this summer tells us that for the first time a contest is being held between the boys and girls to see which group will have the most enrollees. Many have already shown interest in the project, and more are enrolling every day. Come on, kids, let's get busy and go to the library this summer.

**Mr. and Mrs. Ivan Kettering** and children left last week to enjoy a camping and fishing trip at Carlsbad Beach. Hope they have good luck with their rods and reels.

**Mrs. Martha Quigley**, who has been visiting at the home of Mrs. Laura Wray, Neece avenue, for the past two months, left Saturday for Adak Island, Alaska. She will join her husband who is stationed there with the armed forces.
