

BUFFINGTON PUPILS TO PRESENT JUNE RECITALS

Kathryn Buffington, pianist-teacher of 1434 Post avenue, announces piano recitals on June 29 and 30 to which the public is cordially invited. An outstanding feature of the piano work in this studio is duo-piano playing from the young student to the advanced pianist, and the reputation of this fine class has developed through this specialization. Many of Mrs. Buffington's pupils enjoy a fine standing through their public work in churches, in public performances, in accompanying, and solo work.

The following pianists will be presented in recital: Leda Davis, Steven Buckalew, Marilyn Olding, Jack Davis, Patsy Day, Sandra Thompson, Carol Owens, Rocky Palumbo, Shirley Deere, Helen Schineley, Judy Yeltema.

Mickey Van Deventer, Elbridge Walker, and Victoria Reno. Shirley Deere and Rocky Palumbo will play on the radio on July 11, (Wednesday at 5:15). The program is built around duo-piano numbers and is being performed at the radio station at Birkel-Richardson Music Company.

YW Offers Camping to Teenagers

Summertime is camping time. The YWCA invites any teenage girl who likes being out-of-doors with other girls, to inquire about Camp Tahquitz Meadows. The camp is in a beautiful and historical spot in the San Jacinto Mountains, near Idyllwild. Sessions are one week long; a week costs \$22.50 including bus fare. All the camp sports are available—swimming, horseback riding, crafts, volleyball, baseball, overnight hikes, suppers, worship-out-of-doors, jolly new friends, helpful counselors—all the things that make summer camp a memorable experience.

Girls may register at the Torrance YWCA, 1103 Sartori avenue, for the session of their choice, and they may inquire there for a camp folder or other information.

War Mothers Set Meeting

Torrance Chapter, American War Mothers will meet in the study of First Christian Church at 8 o'clock Wednesday evening, June 27. Members are urged to attend.

Seaside PTA Library Open

A further aid to a pleasant summer vacation for school children will be the PTA library open during June and July in the office of the Seaside Elementary School on Thursdays from 10 a.m. to 1 p.m. Whether the child is enrolled in summer sessions or not he will be eligible to withdraw books from the library.

The popularity of the library is evidenced by the more than 300 books a week withdrawn during the past school semester. With the new selections loaned by the Torrance City Library for the summer, the present library will include more than 400 books. Selections are suitable for first graders through eighth grade.

An interesting sidelight is that the youngsters are mostly "Hop-along Cassidy" minded as the horse and animal books go out first.
