

# Kettler Kapers

By MRS. VIRGINIA JONES  
Lomita 1256-1

The party was all set . . . a dozen guests had arrived . . . the hostesses, Madames Ben nice Moore, Jane Lockett and Yvonne Bottruff were busily attending to last minute details when they received word that the guest of honor had decided to go elsewhere! Mrs. Chris Stittsworth went instead to the Torrance Memorial Hospital where she gave birth to a tiny premature three pound six ounce baby girl. The little tyke was promptly placed in an incubator where she will remain until she gains a few more pounds. She's been named Barbara Lynne and has a brother Mickey, 6 1/2 years old. To get back to the party, the guests enjoyed themselves with Mrs. Stittsworth's mother opening the gifts. Many of the guests were still at Mrs. Moore's home when word came shortly before midnight that the baby was born. Quite an exciting shower, we'd say! We're all happy that the baby is doing so well, too. Congratulations to Bud Stittsworth and the Mrs.!

A hearty welcome is hereby extended to newcomers William "Bill" and Joyce Tucker, Jr. and 11-months old daughter Robin Claire who moved in at 23033 Huber street almost immediately after the Withycombes left. Bill has just graduated from the Northrup Institute and is now an engineer at the Hawthorne plant. The Tuckers are from Lomita and are very pleased with their new home.

We're happy to hear that Mrs. Herman Edgren of 235th street is on the good old road to recovery following surgery at St. Mary's Hospital, Long Beach where she is still confined.

There's an urgent appeal out, guys and gals, that our boys in Korea are in need of pocket novels to read. If anyone has any, please either contact me or telephone the Red Cross office at Torrance 3447. Or, if it's convenient, drop the books off at the Red Cross office at 1754 Torrance boulevard. These will be packed and shipped immediately for overseas.

The M. R. Cook family of Gramercy avenue have as their houseguests for two weeks, their nieces, Jo Eve and Marilyn Serrano of Los Angeles. Don't forget boys, if you are between the ages of 8 and 15 years, you can have fun at the "Y" over on Washington and Arlington avenues, by joining their Summer Fun Club which starts

ed this week and ends August 10th. Only 50 cents a week for games and contests. Take your lunch as you'll be gone all day. Mother will be happy with this news, we feel sure. Milt Isbell is the wonderful "Y" leader.

Quite a few of our Kettler firemen and their wives attended a dinner last week when the "B" shift prepared the dinner for the "A" shift. They say the meal was quite delicious and all are hoping for another event again. Attending were the Don Davis's, the Bill Russell's the Jerry Loy's, the Walt West's, the Virgil Newman's and Sam Martin.

Ted and Ione Aarup and daughter Margaret of 1929 Reynosa drive returned home from a week of camping at Cedar Grove in Kings Canyon and are all ready to go again. Yes, they rested for a few days and are now up at the Kern River for a try at fishing. While at Cedar Grove, they were visited by the Crow family of Falena avenue who are enjoying their vacation.

On the casualty list this week is Mrs. Jackie Griffin of Reynosa drive who suffered severe burns on her face and hands when a silox coffee maker blew up. Little Miss Linda Foote also on roller skates and fractured her arm. Mrs. Rose Schaeffer of Gramercy avenue is recovering nicely from a plastic surgery operation. She is very pleased as now she can breathe much better. We're happy that all these folks are on the mend.

Claude and Louise Pearson of 2803 Gramercy street entertained in their lovely patio last Saturday evening. Seven couples were bidden to a barbecued steak party. Mmmmm ! !

MRS. MIRIAM WASSERBERG and sons Douglas and Billy and her mother, Mrs. Alberta Winick of Middlebrook road enjoyed a vacation spent at Carmel and San Diego.

WE'RE HAPPY to note that John McGuire is recuperating nicely at home following a major operation. He and his wife and children Steven and Karen reside at 1811 Marinette street.

A VERY ENJOYABLE beach party was experienced by the S. F. Sullivan's the Jim Griffiths and the Jesse Walls and their respective families all of Reynosa drive recently. They swam and roasted wieners at the Colorado Lagoon, Long Beach.

## NORTH TORRANCE TATTLER

By MRS. HELEN ALLISON  
MElo 4-2430

Big plans are in the making for a picnic at Torrance Park this Sunday, the 22nd, sponsored by N.T.C.I.A. Dave Dyer, who recently underwent surgery at Torrance Memorial Hospital and who is recuperating quite rapidly, sat with the committee to discuss games, contests and what-have-you to attract young and old. Bring your own lunch and come prepared for a day of fun and relaxation.

Vacationers are coming and going everyday. The W. G. Montgomerys returned this week from an extensive (expensive?) tour of Canada. Mrs. Montgomery visited relatives in her home town and even Cheryl enjoyed the beautiful scenery.

It's very quiet on our corner at Glenburn and 17th these days. Especially since the news spread around that my son, Jimmie Allison 17038 Glenburn and his little friend next door Ken Brewer, 17032 Glenburn, are ill with scarlet fever. Both are doing fine, but the measures that have been taken to keep them quiet have been rather drastic. Television is a great help, but after days of it, you find yourself repeating the commercials, twisting your mouth to one side and saying: "Head 'em off in the draw" and thinking nothing of it."

## Daughter Born to Pair

Mr. and Mrs. John Ebbsinghaus, of Via Solano, Palos Verdes, are the proud parents of their first child, a daughter, born Tuesday at the Torrance Memorial Hospital. The baby, who has been named Carol Lynne, weighed 8 pounds, 12 ounces. Ebbsinghaus is manager of the American Rock Wool Plant here.

## COSTLY WELLS

Some of the modern oil wells cost more than \$250,000 to drill.

## William Tells String Bows for Deer Season

The first of California's deer sportsmen only in portions of hunting season opens one-half 27 Coast Range counties between hour before sunrise, Wednesday, Mendocino and Glenn on the July 25, for bow and arrow north and Orange and Riverside on the south.

on the south.

The 10-day archery season ends Friday, August 3, in the central and south coastal areas. Bag limit is two bucks. Bow and arrow hunters must be equipped with a \$3 archery

hunting license and an archery deer tag. The tag is valid only during one of the two annual archery hunting seasons, and may not be used for hunting deer with firearms.

JULY 19, 1951

OLD INVENTION

The modern microscope dates back to its invention 300 years ago.

The annual basket picnic of the Pennsylvania State Society of Long Beach will be held on Saturday, July 28, at Bixby Park, Long Beach.
