

Kettler Kapers

By MRS. VIRGINIA JONES
Lomita 1256-J

Yes, there's a steady stream of vacationists coming and going in Kettler Knolls these days. Mrs. A. L. Fredrickson and daughters Janice and Judy of Reynolds drive have returned from a most enjoyable three weeks' vacation trip to Thief River Falls, Minn. They were guests at the home of Mr. and Mrs. Albert Benes, parents and grandparents of the Fredrickson's.

A delightful birthday party was enjoyed by Billy Waterman,

Middlebrook road.

Norman and Dorothy Wainwright and daughters Dennis and Norma Jean of 2063 Reynolds drive enjoyed a vacation trip to San Francisco and other northern cities, thence home where they spent a day at Santa Catalina Island.

It couldn't happen again, but it did! Yes, the Gordon Jonsrud family of 1843 Middlebrook road were returning home from their vacation trip in Oregon when

"AW GEE MAW . . . 'Twarn't nothing," Tommy Cook tries to tell his mother, Mrs. Mavis Cook of 2822 Gramercy avenue. Derby driver Cook was the only boy from Torrance in the Class A Division of the recent Chevrolet Soap Box Derby to win his heat. Coasting to first place in his Torrance Herald-sponsored engineless racer, young Tommy won for his trophy case a mounted gold miniature Derby racer and driver and a smooch from mother! (Herald photo).

son of Bill and Freda Waterman of 1707 Marinette street last week when 15 little friends celebrated his fifth birthday. Decorations were in a "Hoppy" theme. Special guests who were visiting at his home were his maternal grandparents, Mr. and Mrs. W. B. Hendrickson of Tulsa, Oklahoma and an aunt and uncle also from Tulsa, Mr. and Mrs. Roy Coppedge.

Let's not forget that our boys in the Armed Forces overseas need those pocket novels. Many who are recuperating in hospitals are anxious for these miniature novels. Phone Torrance 3447 and some one will pick up these books. They will also be accepted at the Red Cross office, 1754 Torrance boulevard.

One of the happiest kids last week was Tommy Cook of 2822 Gramercy street whose entry in the Soap Box Derby in Los Angeles last Thursday won him a beautiful trophy! We're all certainly proud of Tommy. Other entries from Kettler Knolls who were just as thrilled to run in the race were Pat Jolsmp of 2130 Santa Fe and Ronald and Donald Johnson of 2621 Martha street.

Honored guest at a delightful luncheon last Friday was Mrs. Alberta Winnick who celebrated her 74th birthday. Her daughter, Mrs. Miriam Wassenberg was hostess to the lovely affair to which ten neighbors and friends were bidden. The guests presented Mrs. Winnick with a beautiful rose corsage and many individual gifts. Everyone enjoyed the delicious Chinese food served in the Wassenberg home on

MEMBER OF PIONEERING MONTANA FAMILY DIES

Death claimed a member of a pioneering Montana family here this week when Mrs. Rachael Reid, 86, died at the home of her daughter, Mrs. P. L. Hoffman, at 1612 Post avenue.

The daughter of Mr. and Mrs. Morgan Evans, prominent Montana developers, Mrs. Reid was born in Brigham, Utah, October 12, 1884. Two years later she moved with her family to Montana. Her parents, originally from Wales, had crossed the North Atlantic in a sailing vessel and migrated across the North American plains by ox-cart.

She was among the first students to attend the College of Montana at Deer Lodge where she studied music. She was a member of the Eastern Star in

Anaconda, Montana, and a member of the Christian Science Church.

Surviving are her daughter and son-in-law, Mr. and Mrs. P. L. Hoffman, of the Post avenue address; a grandson, P. L. Hoffman Jr., and two great-grandchildren, Phillip III and Pamela. One sister, Mrs. Katherine Wellcome, lives in Anaconda, and a brother, David Evans, lives in Deer Lodge.

Funeral services at which a special Welsh prayer was offered in keeping with a family tradition were held at the Stone and Myers Chapel here Monday afternoon. Rev. Parry Jones officiated. Private cremation followed.

Summer School Ends Tomorrow

Tomorrow will be the last day of school again for several hundred Torrance young fry, as the summer sessions in the elementary schools close for the rest of the summer.

The average daily attendance during the 1951 session

about to close, was considerably higher than for 1950, according to Walter H. Rehboldt, supervisor of instruction for the Torrance schools.

Last year's ADA was approximately 400 for the session, he reports, while the figure for this

summer is about 550.

The state support granted to the school amounted to about \$700 over that needed to pay the teachers' salaries, he said.

Many special activities and classes were offered for chil-
