NORTH TORRANCE TATTLER

By MRS. HELENE ALLISON

Good music and good food reigned supreme as the Torrance Barbershop singers received their charter at El Camino this week. Turkey and the trimmings and among these very popular gentlemen was our own Ed Collins, 17025 Crenshaw boulevard.

Congratulations are in order for Mr. Kenneth Tuttle who on Wednesday of this week was officially ordained at the First Baptist Church. This is a very jubilant year for the Tuttle who are parents of a boy born this past month. And now to see an ambition fulfilled. Rev. Tuttle holds services at Community Church McMaster Hall, 174th

and Yukon avenue. An all out effort to swell the building fund is now underway.

In the hats-off dept. I mention the Teenagers Class of Community Church who gave the proceeds of their various efforts totaling \$7.50 to the building fund. Sally Collins is president of this class.

Have you noticed the goings-on around the home of Mr. and Mrs. Pete Collins, 18345 Regina? Mrs. Collins has decorated the interior all by herself and Mr. Collins the exterior. A very pretty brown with tan trim. Three-year-old Kathy watched!

Mr. and Mrs. Balloch, 4220 West 182nd street have been ill with intestinal flu. Mrs. Balloch is a teacher at Perry summer school and recently accompanied her class of fourth and fifth graders to Torrance Park for a picnic to celebrate the closing of the term.

Miss Marjorie Tickler, a June graduate of Perry school, has appeared on the Ina Ray Hutton show several times in the past months. Marjorie is a student of dance and tumbling at Cleda Mann Studio.

Mrs. Vera Wright thought she had something when she organized the "Good Sports," a group of boys whose daily good deeds granted them a party with prizes, etc., until the news spread through the area and the club had to be limited to one block. Those enjoying the fruits of "being good" are John and Charles Slatten, Wayne and Billie Wright, Jimmie, John, Mickey and May Marsh.

Mrs. Jay Kelly and Mrs. E. at the Girl Scout building in Torrance Park.

Mr. E. Jester, 4278 West 182nd street has been host to his mother and father, Mr. and Mrs. J. C. Jester of Denver, the past week.

The D. C. Mannings of 18244 Roslin avenue have moved to Covina.

Walt Bronson, Cub Master of 716-C troop, reports a bang-up family picnic held at Torrance Park this week. Many homes were represented. Among these were: Weibe, Johnson, Collins, Richters, Simon, Alford, Winters (Irving and Victor) and the Dyers. Of course, the food was delicious and races, contests etc., were a lot of fun, but I heard tell it was an excuse for several of the grown-up "boys" to have a fast moving game of baseball, huh, Ed? Cub Master Bronson's son Darrell, by the way, has had quite a bout with the measles.

Speaking of Boy Scouts, at long last a troop is being organized in North Torrance. Troop 761 meets on Thursday at 7:30 at McMaster Recreation Hall. The committee has been selected and boys Scout-minded are welcome.

We extend our sympathy to Mrs. Glenn Runstead, 18236 Roslin avenue, upon the death of her aunt, Mrs. Elva Moore of Inglewood. Mrs. Runstead has been

Dave Dyer warns the residents of North Torrance to stay away from the Verburg Rumpus room Saturday August 18 unless they are prepared for an evening of real enjoyment. Verburg Rumpus room boasts a fine floor and is the ideal spot for good times.

Mr. and Mrs. Kenneth Cowie and son of Des Moines are visiting Mr. and Mrs. A. B. Cowie, 4418 West 182nd street. Mrs. Cowie is president of Torrance Council PTA.

'Neighbors' Meet in Center of Intersection

Two cars, both occupied by residents of Long Beach, crashed together at Highway 101 and Hawthorne boulevard Sunday evening injuring a 65-year old woman.

Taken to Harbor General Hospital by Figueredo and Miller Ambulance service was Mrs. Anna Costa, wife of John Francis Costa, 57, driver of one of the autos.

The other driver was listed as Marie Annette Olsen, 25, who gave her address as the Veteran's Administration Hospital in Long Beach.

Cub Scout Pack Holds Pack Meeting in Park

Cub Scout Pack 241-C enjoyed a pot luck picnic in the Torrance Park last Friday evening.

After dinner, all retired to the soft ball diamond, where the Cubs and Mothers challenged the Dads to a ball game. Darkness ended the contest without a decisive winner, so it was decided that it would be continued at the next Cub Pack meeting, to be held at the Torrance Park, August 31.
