Entries Rolling in for Baseball Tourney to Open Here August 19

Applications for entry into the baseball tournament to be held here beginning August 19, are beginning to roll in, according to Frank Carpenter, superintendent of recreation here.

Already assured of coming are the Ontario-Upland Pirates, the Glendale American Legion Dons, and the North American Downey team.

All three of these teams are potential tourney winners, according to information about them received here this week. The tournament is being sponsored by the Southern California Municipal Athletic Federation and is being hosted by the Torrance Recreation Department in cooperation with the American Legion.

Local baseball fans can look forward to some good baseball, according to reports drifting in. The North American team boasts a couple of players like Stu Carr, former Loyola University star, and C. E. Schoendienst, brother of Red Schoendienst of the St. Louis Cardinals.

Other teams like the Glendale Dons, and the Pirates are rated tops in the tough leagues they play.

"There shouldn't be any push-overs in the tournament," Carpenter said.

The tourney will open here with a triple header Sunday, August 19, and continue for about 10 days. The schedule is being worked out as fast as the entries come in.

Junior Stock Up With Second Straight Win

Torrance's junior entry in the baseball picture scored its second consecutive win last Wednesday night by dropping the Gardena club 8-2 on the Torrance diamond.

Jim Murphy opened the scoring in the first half of the first inning. Torrance was the visiting team although the game was played here. Murphy walked, went to second on a passed ball, to third on a wild pitch, and scored on an error to get the first run. The Torrance scoring followed Murphy's pattern in the seven-inning game. They scored all eight runs on only four hits. Shortstop Bill Crawford led the hit parade with two singles in three trips. Al Knappenberger and Duane Mittan got the other two hits of the game—Mittan beat out a bunt, and Knappenberger singled.

Ken Thompson, Gardena catcher, got the only extra base hit of the day, a triple in the sixth inning.

The Juniors will meet Culver City here next Sunday, and Lynwood here next Wednesday night.

ABCs of Local Bikedom Aired

Only one motorcycle pilot, Jimmy Phillips, has been able to crack into the monopoly held by the "B" boys so far this season under the Gardena area lights.

Tomorrow night Harry Pelton Jr. and Eddie Kretz Jr. will join hands with Phillips in trying to stop the mad rush of the Brundage, Basney, etc. clan. Twelve races are on the Friday night race card, with qualifying at 7 o'clock. The Trophy Dash will open the competitive program at 8:30.

Recreation Area Closed

The entire Bass Lake recreation area south of Yosemite National Park has been closed to campers because of unsanitary conditions. It was announced last week. The lake and resorts in the area are not affected by the move, officials report.

This action was taken by the U. S. Forest Service following complaints that this area was a public health menace because of its inadequate garbage and rest room facilities.

Sea-Eras Win Seven Straight

Continuing their winning ways, the high flying feminine Sea-Eras smashed Pueblo, 12-4, to roll up their seventh consecutive victory last week at Lomita. The league leaders pushed across 10 counters in the opening inning and then coasted behind the five-hit pitching of Mickey Newton.

Lomita retained its second place standing in the girls' league by rocking the Rebels, 13-4, Thursday evening at Welteria. Alice Ueda, leadoff batter, connected for three singles in as many trips to the plate to pace the winners.

Harvey won its initial contest after six setbacks by outscoring Garys 20-13, at Welteria. After falling behind, a big nine-run rally in the third inning, which featured Georgia Straub's triple, gave Harvey a lead it never relinquished.
