A most unusual party was given at the Sherwood home, 17204 Ardath avenue, this week honoring Mark, who has just reached the ripe old age of ten. Ten little friends enjoyed the cake, which was decorated as an airplane with lights, bangers and the works. Tiny airplanes dotted the field. Hot dogs and pink lemonade were served at noon time to the following famished boys: Billy Sale, Tommy Cain, Tommy Gossett, John Simon, Glen Sherwood, Evan Harris, Bob Jones and Kenny Begando.

Congratulations to Gloria Stepp, 17204 Atkinson avenue, who was presented with a shiny new bicycle at a nearby bike sale this week. No one could be prouder than six-year-old Gloria.

The Hamilton Blacks have just returned from a delightful vacation in Yosemite National Park.

Jack White, 4308 West 178th street, still can't get over the 12-minute ride to Los Angeles via ambulance this week. Jack is at home now, however, and doing nicely after a week at the Angelus Hospital.

Welcome home is Mrs. Maude R. Lester, who spent the summer in Portland, Oregon. Mrs. Lester is the mother of Mrs. Raymond Ademsan, 17027 Glenburn avenue.

Duke and Eric Cortez are only started to get used to the

little girl who has arrived at their home. Little Maria Christina (Tina) checked in weighing 7½ lbs. Proud parents are the J. Herman Cortez of 17516 Cerise avenue. After two boys, a little girl is a quite a novelty.

Don't forget the Civic Association dance to be held at the Verburb Rumpus Room August 18. Cottons and jeans will be the style for the evening.

Mrs. M. Eagle, 17515 Fay-smith avenue presented her family with a new boy this past week. The Eagles already have a son and daughter. Congratulations!

The Community Church Circle was held at the home of Mrs. Duan Sherwood, 17204 Ardath avenue this week. Lists of articles to be sent to Bertha Reu-feld who is doing missionary work in Japan was passed among the ladies.

I offer sympathy to Mrs. Edith Hale, 17115 Ardath avenue, whose husband is in Cleveland, Ohio, an employee of North American and whose three children have had a series of illnesses: chickenpox, pink-eye and measles. Grip and bear it, Mrs. Hale. I know just how you feel.

This is from Johnny, my 4-year-old, who on being asked what he was going to get at the new school said, instead of education, "a paid vacation." I think he may have something there.

Once more wedding bells rang for one of our community when Wesley Christian, Neece Avenue was married to Mary K. Shelleberger of Redondo Beach on August 5 at 2 p.m. in the Greenwich Wedding Chapel in Long Beach. The bride wore an orchid gown and carried a lovely bouquet. The maid of honor wore a similar gown in pink. Wesley was married in uniform as he is in the army. After the ceremony a reception was held during which the couple cut a lovely three-tiered wedding cake.

After the reception the newlyweds departed for a short honeymoon down the coast. May we wish the couple the best of luck.

Mrs. Ivan Kettering, Neece Avenue has a very welcome visitor in her home these days. Her mother, Mrs. Etta Bergeron of Oregon arrived yesterday, August 15, for a visit with the family. She will probably visit several weeks.

The choir girls of the Methodist Community Church entertained their mothers at a lovely tea last week. The tea was held at the home of Mr. and Mrs. Bob Cramer, Las Codona Avenue. About twenty attended and enjoyed cookies and tea.

Summer Daily Vacation Bible School at the Baptist Church on Park St. started on August 13. A full and enjoyable program has been planned for all who at-

tend. Classes begin at 9:30 and end at 11:30. All children between the ages of five and sixteen are invited to attend and enjoy the games, surprises, films, and handiwork.

Mr. and Mrs. William Corey and family returned from a very pleasant vacation trip to the north of the state on Monday, August 13, at 4 a.m. Although the weather was extremely hot, they enjoyed themselves thoroughly. Among the places they visited was Yosemite National Park.

Miss Sharon Jones, daughter of Mrs. Kenneth Mesh of Madison street underwent an appendectomy at Harbor General Hospital on Saturday, August 11. We are glad to hear that she is getting along fine. We will miss the family when they leave soon to take up residence in Torrance, and want to wish them the best of luck in their new home. Mrs. Mesh was proprietor of the Variety Store on Hawthorne boulevard.

We were sorry to hear that Mrs. Margaret Dowd, former writer of this column, is again on the sick list. Hope that she has a rapid recovery.

By the way folks, don't forget the big community picnic slated for Friday, August 24, at the Walteria Park. A big evening is planned so help make it a success by bringing your baskets and joining in the fun.

Annual Picnic Slated

Arizona and New Mexico State Societies of Long Beach, will hold their Annual Picnic in Bixby Park on August 18th. Lunch will be served at noon with a caterer on the grounds. HONEST MAN REFORMS COUPLE

Late yesterday evening it was disclosed that one Jack Vinik, honest man of this city, recently reformed an old couple, also of this city. Taking them into his office he literally tore them apart, transforming the old couple of disreputable, broken down, unkempt easy chairs into shining examples of true American modernism.

Mr. Vinik is the manager of the Torrance Upholstery (Torrance's finest). His claim is that when he restyles or reforms or reupholsters your sofa, you'll say: "So-fa, so good. Jus gawjus." The phone please Torrance 1157. Phone for free estimates at no obligation to you. It's an ad.
