

# DANDROY NAMED TO CIF ALL STAR GRID SQUAD

## Three Teams Still Unbeaten In Tournament

Three teams remained undefeated in the Southern California Municipal Athletic Federation tournament under way here after Tuesday night's game.

Remaining in the unbeaten ranks were Ocean View, who won their first two games; Carmelita Provisions, who beat the Torrance Bluebirds Sunday; and the Upland-Ontario Pirates, who slaughtered the Glendale Sports Monday night.

Some of the teams beaten in the first round, however, can not be ruled out as tournament favorites. The North American Mustangs which lost to Ocean View in the first round of play are still being ceded a good chance to come through with part of the honors.

Local fans are not giving up on the Bluebirds, although they lost their first game to the strong Carmelita Provisions nine.

## Boys Greet 1951 Football Season

About 150 Torrance boys from 12 to 15 years old helped usher in the 1951 grid season at the Los Angeles Memorial Coliseum last week when they attended the Rams-Redskins charity football game as guests of the Los Angeles Times Boys Club.

The boys were able to see the game through the cooperative efforts of the Torrance Junior Chamber of Commerce and the Recreation Department.

The boys had a wonderful time, they were well behaved and we enjoyed splendid cooperation, according to Jim Wood, spokesman for the Jaycees. Frank Carpenter, recreation superintendent, said the evening added up to one big STWHBA-Swell Time Was Had By All.

## Sea-Eras Toppled in Final Game to Lose Championship

Torrance Tee Vee rose to blast the Sea Eras, 12-6, in an upset girls league tilt last Thursday evening at Waleria to give Lomita the girls league 1951 championship. The Sea Eras were previously deadlocked for the lead with the Lomitas and the loss dumped them into second place in the final standings.

Entering the bottom half of the second inning on the short end of a 3-2 score, the Tee Vee girls cashed in for six runs after Mickey Newton, losing chukker, got into hot water by walking the first three batters to face her. Joan King was top hitter for the evening, accounting for two singles in three.

trips to the batter's box.

## List Coming Race Dates For Bikes

Three important race dates for the roaring motorbikes of the AMA were announced by officials of the association this week, giving Carrell Speedway a full program of events through Labor Day weekend.

The two-wheeled daredevils clash this Friday night and a week from Friday in regular programs over the fastest half-mile track in America.

A third date, set for Labor Day evening, will find the bike jockeys competing over a special road course at the Gardena smokethrough.

The special road course, which contains four left turns and three right, is a half mile affair and has no counterpart in this country, according to Harry Pelton, AMA official.

Top riders of the association, including Tex Luce, Bert Brundage, Eddie Kretz Jr., Bud Hogan and Bob Shirley, will be on hand for all three cards.

Time trials go on at 7, with the 3-lap trophy heading off the regular events at 8:30.
