NTCIA urges all to attend the next monthly meeting of the association for the election of officers.

The ladies of El Nido turned out in full force for the home nursing class given at the Red Cross headquarters at Redondo Beach. Among those signing up for instruction are Mrs. Jack Kelly, Mrs. George Morehead, Mrs. Clyde Haskins, Mrs. M. Strennel, Mrs. M. Mora, Mrs. George Simonson, Mrs. A. Gunter, Mrs. M. Kischner, Mrs. Ralph Packham, Mrs. A. B. Cowie, Jeanette Cowie, Shirley Packham and Jo Ann Olivera.

The ladies in the El Nido area are thrilled over the opening of a large super-market, the Saver-Mor at 182nd and Prairie avenue.

Torrance Council PTA. President Mrs. A. B. Cowie gave presidents of each local unit evaluation blanks of radio and television evaluation program set up by First District, CCPT.

The L. E. Windsors of 3880 West 182nd street have just returned from a vacation at Yosemite National Park.

Wearing robes and with the curlers still in their hair, the ladies of the Community Church Circle gathered at the home of Mrs. Audrey Richter, 17208 Crenshaw boulevard, for a "Come as you are" breakfast this week. It was a very surprised group that was routed out by Mrs. Betty Muir, but all forgave and ate heartily. This same group gave a pie and cake sale at Manor Market this Saturday. The delicious food sold rapidly.

The Civic Association held its monthly get-together at Verburg Dairy's rumper room last Saturday. It was a gay crowd that danced and enjoyed themselves. Ways and Means Chairman Dave Dyer missed several old faces, but welcomed several new ones.

WATER TEMPERATURE

Water 100 feet below the surface of the Great Lakes tends to remain at a constant temperature of about 39 degrees Fahrenheit.

Open House to End Recreation Program

Promising fun for all, the 1951 Summer Recreation Open House program will open doors tonight at the Civic Auditorium, 7:30 p.m.

Featured on the two-hour program will be extensive craft exhibits, talent acts, presentation of service, softball and swim awards, the coronation of the Playground King and Queen and the showing of "Let's Play," a 40-minute color motion picture showing all phases of summer recreation activities.

Judges for the King and

Queen selection will be Doctors Emmory Schiller and William Sidders along with Miss Ruth Clark. Miss Agnes De Labarre will judge crafts.

Importance of Reporting Animal Bites Immediately Emphasized

The extreme importance of immediately reporting animal bites to the nearest health department was emphasized this week by Dr. Roy O. Gilbert, County Health Officer.

Dr. Gilbert added that any warm blooded animal may be rabid, and that the State Department of Public Health has designated Los Angeles County to be a rabies endemic area. In such designated areas it is a legal responsibility to report such bites, whether or not the animal is suspected of having rabies.

Certain cases have pointed up the importance of quick reporting. Last year a man, licked on the hand by his rabid dog, died of rabies and, frequently, as happened last week in Santa Monica, it is necessary to start Pasteur treatment on children because the biting dog cannot be found.

DOG OBSERVED
The County Health Officer emphasized that animals suspected of rabies should be captured alive if possible. If for some reason the animal must be killed, it is essential that the head be preserved intact for laboratory examination. Observation of an animal under confinement, or examination of the animal in the laboratory, may prove that a person needs no treatment other than local medication for the bite wound.

Dr. Gilbert stated that animal bites should be reported promptly to the local health department office.

NEEDED INFORMATION
As much of the following information as possible should be included in the report: name; age; and address of person bitten; date and address where bite occurred; location of bite and description of wound; description of the animal, and the name and address of the dog's master when possible.

Immediate attention by a physician is warranted in all bite cases, the health officer stated. When a doctor is not immediately available bite wounds may be thoroughly cleansed and irrigated with a strong soap or detergent solution.

Second Session Opens

With nearly a thousand students in attendance at the college and its branches, Harbor Junior College's second summer session is now in its second week. At the close of registration, August 10, enrollment figures of full and part-time students showed a grand total of 974 students, almost as great an attendance as that of the first summer session.

Check On L. A. Firm Bounces

A check he accepted for \$68.75 supposedly written by the Ideal Interiors of Los Angeles bounced this week, Les King, manager of Roberts Liquor told Torrance Police.

King said the bad check was signed with the names Robert A. Jackson and James L. Welsh and was written on the California Bank at Manchester and Vermont. It was endorsed by John B. Hayes, 819 Pine Drive. Police Chief John Strohm warned local merchants to be on the alert for similarly marked checks.
