## Reflections

By J. Hugh Sherfy, Jr.

### LABOR SERVES

The man with a micrometer and the one behind the push buttons, the savant whose eye is glued to an eye-piece and he who uses a saw, the clerk at his counter and the person who guides the destinies of big business have worked, are working, for each other.

Labor serves himself, and mankind. Without Labor we couldn't eat. Without Labor we'd be sleeping in caves. Without Labor we'd walk or ride a mule. Labor is the capitalist; it is the savings of labor that gives us telephones, saw-mills and banks.

Labor is dynamic. It moves, advances, sweeps industry to dizzy heights. It won two wars. It has made our United States the envy of men everywhere.

Next Monday is Labor's Day. Observe it, pay tribute to those who keep us free, who give us pop-up toasters, zippers, and tires. Labor came out of its rut to stand shoulder to shoulder with the boss, a team that does the impossible.

## Plan Benefit For Purple Heart Veterans

The Military Order of the Purple Heart County Council will sponsor a benefit variety show Saturday night, September 22, in the Redondo High School auditorium. It was announced this week.

Produced by Jonathan Osman, the all-star professional vaudeville show is being billed as the "Hollywood Varieties of 1951." Proceeds of the benefit show will be used in the sponsoring organization's work of welfare and rehabilitation among Purple Heart veterans who have been discharged from service. Funds will be used also to establish a chapter of the organization in this area to serve South Bay veterans.

## Chest X-Ray Mobile Unit To Return

Arrangements have been made to provide chest X-rays next month for individuals in this area, according to Dr. Roy O. Gilbert, county health officer. The X-ray surveys have been a feature of the case-finding program of the Los Angeles County Health Department since 1938.

The county's mobile unit will be set up at strategic locations in the area, specific addresses and dates to be announced later, Dr. Gilbert said.

## New History Instructor Appointed at El Camino

Willis Boyd has been appointed to the faculty of El Camino College as a history and political science instructor. President Forrest G. Murdock announced this week.

Boyd, who has been a teaching assistant at UCLA, received his B.A. and M.A. from that institution. At present he is working on his doctoral dissertation. Boyd will teach a new course in the history of England and Great Britain which is being offered for the first time this semester.
