

# NORTH TORRANCE TATTLER

By MRS. HELEN ALLISON  
MENLO 4-2430

They were all there and with their shoes on, too! The former residents of Oklahoma gathered at Sycamore Grove on Labor day for the annual picnic. Among those on our street attending was Mrs. Alex Bates, 17039 Glenburn, and the Doug Anderson family, of 17306 Glenburn. Mrs. Anderson's uncle supplied the program, a very interesting one, of the "younger set," showing just how the square dance is done! Western vocalists sang and good food reigned supreme as always.

Speaking of square dancing, the Dave Dyers of 17030 Crenshaw gave a very informal dance in their garage last Saturday. Among those who did so were the Runsteads, Collinses, Richters, Woods and of course, the Dyers. A very enjoyable evening was reported.

While still on the subject of square dancing, which by the way has spread like wildfire in this area, the two classes of the Caruthers held at McMaster Hall on Tuesday and Friday got together for a potluck lunch this week. The beginners danced with the "triangle squares," a more advanced group, and everyone enjoyed himself.

Mr. and Mrs. George Simonsen and Mr. and Mrs. J. Kelley accompanied several girls to Hollywoodland Camp for a few days outing. The group included Linda and Kay Kelley, Nickie Ann Simonsen, Veele and Lione Marcotta and Shirley Packham.

Just in case you've been wondering who is chauffeuring that '36 Chevy with the bright red wheels up and down the street, it's Mrs. Rene Collins of 18345 Regina. Up until now Mrs. Collins had transportation problems, but no more.

In the event you didn't attend

## Civic Group To Elect New Officers

Election of a new slate of officers for the next fiscal year of the North Torrance Civic Improvement Association was scheduled for the regular meeting held last evening at McMaster Park Recreation Hall at 374th street and Yukon avenue. Voting for the new president was limited to members of the civic improvement organization, according to Mrs. Glen Runsted, who handles the publicity for the organization.

To be eligible to vote, the member had to show his membership card. Officers up on the ballot include those of President Bert Johnson, Vice President Ken Beight and Treasurer Mrs. Wayne Brooks. New officers were also chosen for recording secretary, now Mrs. Ed Collins, and auditor, now Delbert Alford.

No candidates were named and nominations were made from the floor preceding the election.

## Vaughan Graduated From SMU With B.B.A.

James Edwin Vaughn, son of Mr. and Mrs. A. C. Vaughan, 1217 Cota avenue, received a Bachelor of Business Administration degree from Southern Methodist University in graduation exercises held Friday.

Willis M. Tate, vice president of the university, presided at the thirty-sixth annual convocation. More than 400 students were presented diplomas.

Vaughan, who majored in professional accounting, served as a navigator in the Naval Air Corps during World War II.

The Yukon Dahlia Show last September 2, you missed a very beautiful sight. The ohs and ahs went up from the crowd as it viewed such new introductions as the very, very gorgeous Cardinal (an orange) the very dainty, unusual appearing Vanity and the show-stopper Campus Queen. Your reporter and mother Mrs. Ruth Adamsen, 17302 Crenshaw, Mrs. Ruth Helms and Mrs. Betty Brewer, 17032 Glenburn, enjoyed a most fascinating afternoon.

We dust off our most sincere congratulations and offer them to the following having birthdays this week: Mrs. Glen Runsted, 18236 Roslin; Mrs. Vera Wright, 18238 Roslin, who received many gifts from family and friends; Stephen Ballock, 4220 West 182nd, who reached the hale and hearty age of nine; Jerry Allison, 17038 Glenburn, who was surprised on his 35th birthday by a group of boy friends, some being members of the bowling team who presented him with three very handsome sport shirts. Among those enjoying the cake and ice cream were: Larry Weeks, Jim Babbs, Robert Bowen, Bob Kelly, Junior McVey, Melvin Ballinger, Lewis Smith, Jim McKee and David Smith.

Mr. Alex Bates planned to Caddo, Oklahoma to pick up his daughter, Mary Jan, who has spent the summer with her grandmother, Mrs. G. A. Croset. Alex and Mary Jan will spend a week at his parents' home in Mississippi.

Mr. and Mrs. Bill Step, 17204 Atkinson, with daughters Beverly and Gloria are visiting in Grants Pass, Oregon.

The Bert Johnsons, 17219 Atkinson, have returned home from a visit to Mrs. Johnson's parents' home in Minneapolis, Minnesota.

Mr. and Mrs. John Ratterree and Mr. and Mrs. Charles Mixon were visitors from Fort Smith, Ark. at the home of Mrs. Ratterree's sister, Mrs. Doris Babbs of 17209 Ardath.

Our area loses several residents this week. The J. Ballocks and son Stephen, 4220 West 182nd, moved to Oranut Lane, Puente. Mrs. Ballock was teacher at Perry School. Also the J. Mohams who moved to Indian Springs, Nevada.

Rev. Kenneth Tuttle, pastor of Community Church, moved to Covina, Calif. Rev. Tuttle is attending school in that city and also takes the pastorate of a church. Best of wishes go with you all.

The series of PTA card parties started at the home of Mr. and Mrs. Dawn Sherwood, 17204 Ardath. Those playing canasta were Mr. and Mrs. Ed Collins, Mr. and Mrs. John Lush, Mr. and Mrs. Dave Dyer, Mr. and Mrs. Bob Richter and Doris Babbs. Mrs. Sherwood served very delicious cake and coffee.

The chicken was fine! So say the Teenagers Class members of Community Church after having had dinner at Knotts Berry Farm this past week.

Mr. and Mrs. N. Kazenko, 18330 Roslin, and children Tom, Nicky, Ted and Joan Ann spent the past week visiting relatives in Beaumont.

Mr. and Mrs. Dawn Sherwood, 17204 Ardath and sons Mark, Glen and David have been visiting with Mrs. Sherwood's parents in Oakland.

Want to know just where the

fish are biting? Just ask the D. McNeis family of 18329 Regina. The entire family, consisting of two sons, Dick and Robert, spent the greater part of the summer fishing up and down the California coast. Recently they spent some time in Catalina.

Mrs. Gertrude Packler, 17485 Yukon, is a receptionist at the Oleda Mann School, where her daughter Marjorie is a student.

Marjorie has appeared in several TV shows and entertains the patients at Sawtelle weekly. This is indeed mother and daughter harmony.

On our sick list we mention little Sandra Goodfellow, six-year-old of 17029 Casimir, who is in a very becoming pink. It's the measles! Also, Tommy Kane, who was struck by an auto this week, but luckily not too seriously injured.

Did I fail to mention your aunt Minnie from Podunk was a visitor at your home, or you had just spent your precious two weeks "deep in the heart of the forest." Call me Menlo 4-2430. I'll be glad to put the item in. It's your column, you know.
