

RANDAL MAASS
... Leaves GP for Far East.

Assistant Manager Leaves GP Refinery

Randal Maass, 701 Via Somonte, Palos Verdes, assistant manager of the Torrance refinery, is leaving the General Petroleum Corporation, with which he has been associated since 1934, to become assistant manager of one of the largest petroleum refineries in the Far East.

Maass has joined the Standard-Vacuum organization which produces, refines and markets petroleum products from Africa to Australia, and Japan. He has been assigned to Standard-Vacuum Petroleum Maatschappij's refinery at Palembang, Sumatra, in the Republic of Indonesia.

The refinery employs 5600 people and processes 65,000 barrels of crude oil daily. Standard-Vacuum is partially owned by the Socony-Vacuum Oil Company, Inc., of which General Petroleum is a western affiliate.

HOLLAND BOUND
Maass will leave for Holland shortly to visit the SVPM office there for a period of orientation. Mrs. Maass will accompany him. After a month in Holland he will go on to Palembang while she will return to California for a short period before embarking for Indonesia.

A graduate of the California Institute of Technology, where he won three letters in football, Maass joined General Petroleum as a laboratory technician in 1934. He worked as a laboratory chemist, a gas engineer and as a refinery engineer before becoming assistant manager of the company's Torrance refinery in 1949. Maass won his Master of Science degree at the University of Southern California in 1936.

Long-time residents of the Pasadena area, Maass and his

wife had only recently moved to their newly-built home in Palos Verdes Estates before he accepted his new post.

Riviera Property Owners To Meet September 10

The Hollywood Riviera Home-owners Association, which ordinarily meets on the first Monday of each month, will meet next on Monday, September 10, it was announced by William A. Mason, corresponding secretary. Mason said the change was because of the Labor Day holiday this week.

Among the items slated for discussion are sewers for Riviera, petitions for which are now being circulated; new Riviera elementary school and coming city elections.

The meeting will be held in the El Retiro Recreation hall, according to President Walter A. Garabrant.

Unless you repent you will likewise perish.—St. Luke 13:3.

NEW! NEW!
THE MARVELOUS MOTORLESS SERVEL

TEN-YEAR GUARANTEE

Only one refrigerator makes ice and cold with no noise, no vibration, no hum of stopping and starting. That's the famous Servel. Servel stays silent, lasts longer because it hasn't a single moving part in its freezing system. It's marvelous; it's motorless.

World's longest refrigerator guarantee
