North Torrance Elementary PTA President Millie McEwen entertained a group at a benefit canasta party this week. It was a fast-moving evening and those trying to make the most of their time included Mr. and Mrs. C. Robinson, principal of the North Torrance Elementary School; Mr. and Mrs. B. B. Bertrand; Mrs. Betty Mason; Mrs. Van Belchem; Mrs. Janice Bates; Mrs. Margaret Jackson; and Mr. and Mrs. Norman Hale. (Lyn Hale was co-hostess), and your reporter. Mr. Robinson won all honors as the top player of the evening. There was no doubt in anyone's mind who deserved the "booby prize." Low man was B. Bertrand. Delicious cake and coffee climaxed

a very entertaining evening.

Little Kenyon Brewer, of 17033 Glenburn avenue, who is only four, saw his first circus this past week and was amazed by it all. Accompanied by his parents, Mr. and Mrs. Henry Brewer and grandfather C. A. Pollock, of Leimert Park, Ken watched the animals and trapeze artists with awe, and his popcorn went unfinished while he caught 40 winks.

"What price education?" I heard a prospective student mutter after having stood in three lines to register for classes at El Camino College. Several of our residents are attending the college. Among those are Mrs. Lova Fadick, Mr. and Mrs. Duan Sherwood and Bud Morrison.

A very new resident has been added to our area. Steven Allan, weighing 8 pounds, 4 ounces, arrived at the home of Mr. and Mrs. John Mangiari, of 17233 Atkinson avenue, on September 11 to be welcomed by brothers Tony and Johnny.

Campfire Leader Betty Johnson was very proud of the part her girls took in the pageant depicting the history of Campfire Girls at the County Fair in Pomona last Saturday. Those

in the group honoring Campfire Girls Day were Judy Breighen, Edith, Judy Engels, Judy Nelson, Midge Simons and Sandra Conside.

After talking to several who have just returned from my home state, I felt sorta bad that it was so hot and that the vacations could have been better. The Delbert Alford spent much time around my home town, Juanita mentioned Oilton, Drumright and Mannford—and it seemed nice to talk to someone who had just returned. But it really made me feel good to hear Willys Blount rave about the progressive and beautiful city of Tulsa, Oklahoma. California Chambers of Commerce wouldn't like it.

Mike Fadick celebrated his fourth birthday this week with a bang-up party including children from one end of the block to the other. Balloons, whistles and lollypops were given all, and a gay crowd blew out the candles on the cake. Among those who attended were Diane, Darlene and Mark Holshek; Mary Jan Bates, Ken Brewer, Gail Adamson and Billie Mack.

Big plans for a school carnival at Perry Avenue Elementary School are under way. A group of ladies who will work on the project will meet at the home of Mrs. Vera Wright, Torrance council PTA publicity chairman, at 18328 Roslin avenue, on Friday September 21, from 1 until 4 p.m.

Girl Scout leaders are needed badly in our district. Anyone desiring training or information is urged to attend one of the following sessions: Lomita Scout Hall, September 19-24 and 26; October 1-3. Meetings are from 10 a.m. until 2 p.m. Brownie leaders meet at the Gardena Teenage Center September 25-27 and October 2-4 from 10 a.m. until 2 p.m.

Mr. and Mrs. Sam Sorell Sr. planed in from Kansas City, Kansas, to spend a few weeks at the home of their son and family, Mr. and Mrs. Sam Sorell, at 17213 Glenburn avenue.

The women's group of North Torrance are dressing dolls for the bazaar sometime in October at the St. Catherine's Church. Glamour and baby dolls are being dressed, some in crocheted dresses.

Mrs. A. B. Cowie Torrance Council PTA President attended the opening ceremonies of orientation week for teachers at Torrance High. Mrs. Cowie announced the meeting of 1st District California Congress of Parents and Teachers Thursday, September 27, at 9:30, Crozier School in Inglewood. This session will stress the fourth and fifth object of parents and teachers which are: "To bring into closer relation the home and the school that parents and teach-

Local Jeweler Tells Club About Diamonds

Abe Robinson, manager of Lawson's Jewelers, was the principal speaker at the Lions Club weekly meeting last week at the Ding How Cafe.

Robinson's subject was "Diamonds." He traced their origin from rocks to their present value and beauty. He noted that the diamond is 90 times harder than any other known substance.

There is no prouder a couple in all North Torrance than the Wickeys of 17020 Glenburn avenue who now have a son Clifford Thomas Wickey who weighs 8 pounds 6 ounces. This makes it almost unanimous as far as children are concerned on our street. Congratulations June!
