Sincere congratulations of all their neighbors are offered Dorothy and Max Carey, of Doris way. They're the proud parents of a sixpound, 9-ounce baby girl.

Unhappily, we must extend to the Manhattoys of Sharynne lane, heart-felt sympathies on the loss of their little girl, Polly, that dreaded scourge.

The Ladies Guild of the Lutheran Church of the Resurrection will meet on Monday, September 24, at 8 p.m. A toy shower will be given to augment the playthings in the church nursery, if you care to contribute. The meeting will be held at the parsonage, 108 Via Estrellita, Hollywood Riviera.

For further details please contact Mrs. Jean Daniels, Frontier 5-1734.

The Blood Bank will arrive at the Torrance Civic Auditorium at 1319 E. Prado on September 27. If you have donated in the past, the Red Cross will contact you. If, however, you now find yourself able to give for the first time in this area, we would appreciate tremendously your calling us for an appointment. Chris Hall, Frontier 5-1549 or Helen Schmitz, Frontier 5-1410.

Although the bank is open from 3 p.m. till 8 p.m., you are requested to make your appointment before 6:45, as the time thereafter is filled by donors coming directly from their places of employment.

The fact that this date coincides with the first Las Vegas meeting of this season may cause you to hesitate, yet we hope you find—or make—that little extra time needed. Transportation is available. Make your appointment now before it slips your mind. There couldn't be a worthier cause!

On the subject of Las Vegas, the membership chairman, Mary Pinkney, reported in with twenty-five provisionals. A very successful project, and we warmly welcome each one into the Woman's Club.

Each provisional will be furnished with a corsage at the meeting September 27, and it is hoped that this manner of identification will spur the regular members on to introduce themselves to the provisionals and create a welcome atmosphere for them.

If you want to see a beaming smile, knock on the door of Pauline Boyle. Husband Len arrived in San Diego last week-end, in from his latest fishing trip in the waters off South America, and will be home sometime this week.

The PTA Board provided a thoroughly delicious luncheon last week for the teaching staff of Seaside Elementary School. The teachers were most pleased with the courtesy, and it was a distinct pleasure to make some small gesture of appreciation to the group of instructors.

The opening of school, with its many diversified problems, was accomplished smoothly, reflecting much background work and planning. Rides were arranged and provided for the mothers of kindergarten children who were on short hours by the Parent-Teacher organization. It was quite a sight driving in the vicinity of the school at that time... spic and span children... snapshots being taken of the big event... and signs of relief from beleaguered mothers swelling up over the entire community!

Did you notice... Mickey and Don Stewart were aboard the cruiser that grounded on a shoal in the entrance to the isthmus at Catalina? The boat eventually sank, but no physical damage was sustained.

Fleetingly... Paul Barth in his new yellow convertible... the Rhoades (formerly occupying the Jeffreys' home on Doris way) now moved to Reese road... the Jeffreys themselves, now residing on the island of Oahu, in Honolulu... Betty Matson planning many courses at El Camino... Dorothy Johnson answered the telephone on her anniversary and Byron was calling from Japan... better get your lipstick on Tuesday morning, September 25... there will be a PTA kidnap breakfast on the Schmitz patio, 5345 Carol drive. Doughnuts and coffee, and it's hoped that people will amble over at their convenience, thereby lessening the need for "kidnaping." The hours are 9 till 12, and it's the season's first get-together. See you then.
