## Scouting Leads to Association Of Two Local Optometrists

A friendship which started years ago in Boy Scouting was climaxed recently with Dr. Clarence Ingold, well-known Torrance optometrist, announcing the association in his practice of Dr. Joseph P. Bay—the other half of the scouting companionship.

Dr. Bay is a product of the local high school and attended California State Polytechnic College for three years before Uncle Sam sounded the call to colors. He spent the ensuing five years as Pharmacist Mate serving with the U. S. Marines on a score of South Pacific islands with the First Division.

Since his discharge Dr. Bay has been attending the Los Angeles College of Optometry and assisting Dr. Ingold as laboratory technician. While in college the younger doctor was particularly active in visual surveys of school children in the Los Angeles area.

Welcome to working people was the news that the two doctors intend to remain open all day Saturday and to hold office hours in the evening by appointment.

Dr. Ingold has been located at 1427 Marcelina avenue, northeast of the post-office, for the past 15 years.

Dr. Bay lives at 2558 Torrance boulevard with his wife, Nadine, classified advertising manager of the Torrance Herald.

## Sergeant Assigned to California Air Base

T/Sgt. Ivan H. Melby, son of Mr. and Mrs. H. Melby, of 1008 Cravens avenue, has reported to the Parks Air Force Base for duty. Parks is the recently activated indoctrination center located near Pleasanton, California, in the San Francisco Bay area.

Sergeant Melby was previously assigned to the Lackland Air Force Base near San Antonio, Texas.

## North Torrance Soldier Gets Combat Award

Pfc. Robert Pimentel, of 18824 Prairie avenue, has been awarded the Combat Infantryman Badge, a symbol of close-quarter fighting with the enemy, while serving with the First Cavalry Division in Korea. It was announced this week.

The badge, consisting of a miniature replica of a Revolutionary War flintlock mounted on a blue background and superimposed on a silver wreath, distinguishes the actual fighting men from the rear area and service troops, according to the Army announcement.

Private First Class Pimentel is a member of the Fifth Cavalry regiment.

## Noted Evangelist to Hold 7-Day Crusade at El Nido

The seven-day Evangelistic Crusade planned for the El Nido Baptist Church will be under the direction of Dr. J. Marion Smith, who has held pastorates in Toronto and Montreal, Canada, as well as having served numerous of the larger Baptist churches in the United States.

Services will be held each evening at 7:30 and on Sundays at 11 and 7:30, according to the pastor, Rev. Leland L. Pisel.

Dr. Smith is not only a gifted speaker but an unusual soloist, and is vice-president of Sacred Recordings. In the earlier days he had to make a choice between an operatic career or the ministry, and he chose the latter.

Prior to becoming evangelist to the state convention, Dr. Smith was pastor of the North Park Baptist church in San Diego, and during his tenure there he built one of the most

beautiful sanctuaries in the Southwest.

El Nido Baptist is cooperating with sixteen other churches in this area in the combined simultaneous crusade arranged by the Harbor Baptist Association and sponsored by the Southern California Baptist Convention.
