**Walteria News Notes**

Mrs. Harcastle and Mrs. Howey took a day last week and journeyed to the fair at Pomona, where they supervised the PTA booth in the evening. Thursday was the day set for the Torrance district to take care of the booth, which represented the whole region, so Walteria took the "night shift." The Howeys left early in the day and enjoyed the many sights at the great exposition. From all reports this is really a great show, so all of you who can try to get there, I'm sure you would consider time well spent.

Still around and waiting to go are the Joslins of Danahua street. They had their bags all packed ready to go last Tuesday a week ago when they received word that a polio epidemic had broken out in Wyoming, and it was best for them to stay here for a while. Any day now, though, they may take off for their visit, which will last for over two months. They are going to Rockspings, Wyoming, to visit relatives and friends.

Another sign of our growing community has come to this reporter's attention. We have another doctor setting up his office in our community. He is Dr. H. E. Essex, and his office is next to the Walteria Drug Store.

By the way, the Bud Corey family is back living in Walteria. They left a few months ago to live on the other side of Long Beach, but are now back living on Hawthorne boulevard.

Mr. and Mrs. W. E. Naumann and son Billy, who have been guests at the home of Mr. and Mrs. J. B. Mosley, Ward street, left Saturday for their home in Tucson, Arizona.

Mr. and Mrs. Ray Johnston and children David, Phillip and Jerry, Pacific Coast highway, attended the annual twin picnic in San Diego over Labor Day weekend. The twins in the family are David and Phillip.

Mr. and Mrs. R. S. Cramer and children returned Sunday after a very pleasant week at Crestline and Lake Gregory. They left Monday for a week's visit with friends. Part of the time they spent seeing the sights in Northern California.

The Walteria MYF have plans for a gala evening this week, when they go miniature golfing in Long Beach tonight, September 27. Last Sunday they were host to the MYF from Torrance.

Weekend guest at the home of Mr. and Mrs. John Hunt, Adolph street, was Mrs. Mary Hunt of Los Angeles.

Enjoying a pleasant time at Branch Club in Torrance last Tuesday, September 25 were Lucille Howey, Jean Stewart, Gerrie Bowen and yours truly. A very interesting speaker addressed the group. Plans were made for a bake sale to be held in front of Levy's store on Saturday.

Birthday congratulations should be extended to two of our younger members this week. The first was the birthday of Eugene Joslin, Danahua street, who celebrated with a party at which twenty-eight friends offered him their congratulations. His birthday was September 15. The other birthday congratulations go to John Mills, also of Danahua street, who had a party to which his neighborhood playmates and school chums were invited. The birthdays were the fourth for Eugene, and the eighth for John.

Oh yes, we must not forget to extend other congratulations. These go to proud parents of new babies. Among these we find Mr. and Mrs. Kenneth Aupin, Primm way, who greeted Kenneth Jr. on Tuesday, September 13. Kenneth weighed in at 8 pounds, 5 ounces in the Centinela Hospital. The other proud parents were Mr. and Mrs. Thomas Brown, who also welcomed a son. This boy was born in San Pedro on September 12 and weighed 9 pounds, 4 ounces.

**Pvt. Billy Jones Takes Part in Assault on Reds**

Pvt. Billy R. Jones, 3455 "Emerald street, is taking part in the current assault against Communist positions in the wild mountain terrain of east and central Korea.

He is a member of the 7th Infantry Division, one of three divisions leading the new United Nations attack.

His group participated in the liberation of Seoul, and drove to the Manchurian border earlier in the war and is now above the 38th parallel.

Before entering the Army, Jones was employed by the Wright Brothers Company.

Class Opens  
At Seaside**

A free class in leathercraft open to all adults regardless of residence is being held each Monday night from 7 to 10 at the Seaside School, Seaside Ranchos, north of Highway 101, in Torrance.

John Cavanagh, instructor of the class, recommends three projects: pocketbooks, purses, wallets, watch bands, ornaments and specially designed gifts.

No previous experience is necessary, but those who have it are also welcome. Projects are handled on an individual basis and students may go as fast as they desire. Instructions re-

garding materials and tools will be given by Cavanagh. All projects may be discussed with him. Those planning to register should attend the next regular meeting of the group on Monday night at 7 o'clock in the shop building of the Seaside School.
