Reflections

By J. Hugh Sherfy, Jr.

"FREEDOM CRUSADE" NEEDS YOU

Words are lethal, or constructive. Lies have brought misery to innocent people; truth brings hope for better things. Words inspire "Give me liberty or give me death." Therefore all things whatsoever ye would that men should do to you, do ye even so to them; have changed the course of human history.

People behind the Iron Curtain are being told Americans are monsters that war is our intention; unmitigated lies. Getting truth to those people is an Air Life to reality, it gives them a ray of optimism, making those lies ridiculous, and that is lethal to Communism's propaganda.

To contribute to Freedom Crusade will bring hope to people starving for truth. Save lives. Make peace possible and bring expectations of better things to come tomorrow.
