

# Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN  
Frontier 5-1779

Seaside Heights wish to extend their deepest sympathy to Mr. and Mrs. J. Marland Mahaffey, of 5328 Sharypne Lane, in the recent loss of their youngest child, Patricia, who passed away September 13, following a polio attack.

The column this week is strictly of the children (bless them), of school, of Scouting—and first I'd like to reprint a note I read in Everywoman's Magazine:

"Perhaps parents would enjoy their children more if they stopped to realize that the film of childhood can never be run through for a second showing."

The Girl Scout program and plans for the coming year were discussed at a meeting September 11th, at the Neighborhood Chairman (Dorothy Johnson) house. Our Field Executive of the Harbor Section, Mrs. Olive Dixon, was present and very helpful in answering questions of last year's Scout Leaders, Merle Holstin, Pegl Gravin, Dorothy Johnson, Mildred Arndt, Melva Gruver and Grayce Ryckman. Other ladies present and interested in Scouting, and heartily welcomed, were Helen English (new to the Ranchos), Bernadette Weber, Pat Drumright, and Margaret Whyte. Looks like a good year ahead for the Brownies, Intermediates, Junior Highs, and Seniors.

Incidentally, the Brownies will be around before long to give you the opportunity to buy the Official Girl Scout Calendar. They are very colorful, and clear and have enough space around each date to jot down reminders. So you really do yourself a favor as well as the girls.

As I wrote before, the Junior High Scouts are knitting an Afghan for Veterans and need any amount of any weight and color yarn you can give them. Just call Pegl Gravin, Fr. 5-4508 and she will send someone to pick it up.

The Torrance Educational Advisory Council (TEAC) met the faculty of the Torrance Schools at a luncheon at the Civic Auditorium, September 12. This Council consists of a representative from each organized group in Torrance, i.e., churches, PTA, companies, home owners association, etc. They meet with members of the Board of Education once every month and the teaching methods and general business of making our schools "tick" are debated and discussed. Anyone can attend as a guest of these representatives and really get up and get answers to your whys and hows. If any of you would like to go you can contact me or Dorothy Johnson, Fr. 5-1839.

Well, Sept. 17 was that day which comes but once in a lifetime—the FIRST day of school. And down the hill and into Kindergarten went our small fry: Wayne Hughes, Steven Seibler, David Kessler, Ginger Herbst, Sherrie Dahlman, Greg Jurisich, Jerry Filigiano, Tommy Sokolowski, Alan Wagstoff, and a few I did not get the names of as yet.
