

Central Church Plans Observance Of World Wide Communion Sunday

Worldwide Communion will be observed Sunday, October 7 in the Central Evangelical United Brethren Church, according to Rev. Homer H. Miller.

For about 12 years local congregations in increasing numbers in all lands have joined in this world fellowship about the Lord's Table commemorating the sacrificial death of Christ on the cross.

"The observance of this sacrament should especially remind us that religious liberty, as all liberty, is not cheap; that it is not offered on the bargain counter, even in our fair land," Rev. Miller said. "Too many people take it for granted."

The United States Constitution guarantees us freedom of worship. This guaranty is made possible only by the sacrifice of Christ and the sacrifices of people whose lives were characterized by Christlikeness. World Wide Communion is being observed in grateful appreciation for the rich heritage that is ours, and all who cherish liberty and freedom of worship are

invited to participate in this solemn observance. Never—never has the church been challenged as it is today. Three-fifths of the world are ready to accept Communism instead of Christ. Men are searching for light in the darkness of our day. People must be won to Christ and the Church, or we perish, according to the pastor. The Sunday School is the greatest single medium for reaching youth. The president of a great manufacturing concern says: "I feel that a child who has not been in a Sunday School class during the formative years has not had a square deal nor a fair chance for normal development. Fifty million of our youth are not members of any

Sunday School. They will never be taught reverence for God."

"As part of our observance of World Wide Communion we are extending to the public a cordial invitation to attend Sunday school at 9:30. We have classes for all groups or will organize such classes as the need arises. At the morning worship service we shall receive into church fellowship a number of persons who have expressed their desire to unite with the church," Rev. Miller said.

Youth Fellowship is becoming very active, with very interesting programs being arranged by the young people of the church. They meet in Central Guild hall at 6:30 p.m. The evening worship service begins at 7:30 and will be conducted by the officers of the Sunday school.

Christian Church Plans Communion Celebration

The First Christian Church will observe World Wide Communion Day Sunday morning at the 10:50 a.m. service, according to Rev. Cecil J. England, pastor of the church.

Rev. England will speak on the subject "Freedom of Worship," at the morning service.

"All members and friends are cordially invited to attend this special service," Rev. England said. Special music by the Church Choir under the direction of Charles Bartholomew will be offered in connection with the "Freedom of Worship" observance by the Torrance churches.

Dakota Picnic Set

The semi-annual picnic of the South Dakota State Society of Long Beach will be held at Bixby Park Sunday, October 14.

Youth Group to Meet At Church Sunday Night

The Youth Group of the First Christian Church will meet at 7:30 Sunday evening at the church for the first of a new series of meetings planned for the first Sunday evening of each month, it was announced yesterday.

Slated for the first hour-long program is a fellowship sing, a talk by Doro Ritko, and a solo by Wes Smith.

The group is sponsored by Mr. and Mrs. William Moon.

Cycle Rider Escapes Serious Hurts in Spill

Treated for minor injuries Monday evening after his motorcycle skidded in loose sand on the shoulder of a road and hurled him into the ditch was James C. Birmingham, of 3115 Criklewood street, in Pacific Hills.

The 30-year-old cyclist told Torrance police officers that he ducked to avoid a truck entering Hawthorne boulevard just south of Newton street in Waterloo when his cycle flipped on the soft shoulder of the road.

He was taken to Harbor General Hospital by a Figueroa-Miller ambulance, where he was treated and released.

Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN
Frontier 5-1779

To Anita and Bob George of Bindewald road, welcome to the ranks of mother and father, and congratulations on the arrival of your first born, a son, Joel George. For those who haven't heard—Joel was born September 25th at the Hollywood Presbyterian Hospital and weighed 6 pounds, 3 ounces.

Another birthday, or I should say double birthday, was celebrated September 22nd. This was for husband and wife—Edgar and Amy Leising, also of Bindewald road. Congratulations to both. Speaking of Amy, her brother, Charles L. Russell, is their guest at the present time, but hopes to have a place here soon, so he can send for his wife and children, who are still in Indiana.

Also from Indiana (Indianapolis) and now to the Heights, are Mr. and Mrs. Bill Delameter (Thelma), and their two sons, Brent, 3, and Brian, 16 months. If you would really like to meet a neighborly neighbor, just knock on Thelma's door, 5304 Bindewald road. She will take it from there.

Joe and Ruth Waddingham have been entertaining in their home here the past two weekends. On September 22nd their guests were Mary and Ralph Holben and their two children, Shirley and Jimmy. On September 29th and 30th, Joe's mother, Mrs. Waddingham of Burbank, was their guest.

Also on the entertaining list is Mrs. Peter Jurisch. Just before the regular meeting of Las Vecinas last Thursday, Jo had a group of women at her home to honor provisional members, Mrs. George Osborne of Rolling Hills and Mrs. William Haegle of the Rancho. Other guests were Mrs. Leonard Doyle, Mrs. Frank Hanover, and Mrs. William Schmitz.

The Holstin children certainly run the gamut of mishaps. First Barry Dean cut his finger so badly it had to be stitched; then Bobbie was on crutches for several weeks, from cutting his foot, and now it is Betty. Last week, in falling off her bicycle she chipped her elbow bone and has her arm in a sling. Let's hope that ends the cycle.

Several of our neighbors were fortunate enough to attend the Pomona Fair. Going in their own parties but on the same day were Johnna Trainor, Mr. and Mrs. Reesor, and Mr. and Mrs. Baumgarde and son, Ray.

Now the remainder of the column is reminders—future news. First and very important is the date of October 11th. Time: 6:30 p.m. Place: Seaside Elementary School Patio. That is the night of the PTA Potluck Dinner. A real get-together and start to our program of the

year. Everyone is invited. This is the plan for bringing food: Those with last initials, A to J, will bring a meat casserole; K to Q will bring salad, and R to Z will bring dessert. Each family should bring enough to serve 16. The Deacons, a barber shop quartet, will sing. There will be movies for the children. Let's make it a big success!

This is a Scout reminder: The 13th and 14th, the Boy Scout Camporee will be held in Camp Vaughn Scott (El Retiro). Scoutmaster Holstin hopes to have his whole troop participate, but has told the boys they must attend the regular meetings between now and then if they want to be a part of this big program.

Sunday, the 14th of October. Because so many of our residents in the Heights are workers in various aircraft plants it seems that this would be a day to remember. At the Los Angeles Airport, as one of the highlights of the fourth annual Air Transportation Day, there is going to be a display of 2500 airplanes, ranging from 1909 to the present. The display will be in the Western Airlines building and is open to the public. See you there.

And then October 18th. Las Vecinas is sponsoring a Benefit Card Party at the St. James Parish Hall. The proceeds will go to the handicapped children at Harbor General Hospital. The party will start at 8 p.m. There will be prizes, and many games will be played, including bridge, both auction and contract; canasta, and several others.

The Torrance School of Adult Education has started the Fall term and many interesting courses are offered. Most of them are being taught at the high school, but our own Seaside School is offering two courses, interesting to so many homemakers. On Tuesdays, from 6:45 to 9:45 p.m., there will be a class in ceramics. On Mondays, 7 to 10 p.m., there will be a class in leathercraft. These classes are free and open to all adults, regardless of residence.

CHILD LABOR DROPS
In 1900 at least 31 per cent of the 14-15-year-olds were employed in occupations. With child labor laws and compulsory education laws more effectively enforced, this proportion has dropped to 5 per cent, the National Education Association reports.
