Oooh, This Daylight Saving! Some of us forgot to set our clocks back Saturday night, so we enjoyed an extra long Sunday—or did we?

To the William C. Tucker family, of 22033 Huber. Congratulations on the arrival of your new son, Stephen Hall, on September 22, at Torrance Memorial Hospital. Thirteen-month-old Robin Claire visited with grandparents, Mr. and Mrs. P. W. Hall, of Riverside, while her mother was in the hospital. Paternal grandparents are Mr.

and Mrs. W. C. Tucker.

Hitching a Tear-Drop Trailer to their car, Ruth and Norwin Bueche of 235th street, enjoyed a 3-day trip to Sequoia and Yosemite National Parks.

Best Wishes Go to Mary Cummings, of Reynosa drive, who is recuperating at her home, following an attack of pneumonia.

Let's Send a Word of Cheer too up Kathy Way, where Mary Andreoli is on the mend since her return from the Torrance

While Talking on the Phone last week to Mrs. J. Eric (Phyllis) Morgan, I noticed her accent and was happy to hear that she was from "jolly old England," and has been here almost five years. Phyllis was the guest of honor last week at a delightful baby shower. Mrs. Rowena Ellingsworth's home was the setting with co-hostesses, Josie Jarvis and Jackie Shelhart, assisting in the merriment of game-playing and serving refreshments to 20 guests. Mrs. Morgan received many lovely gifts for the heir-to-be.

Betty and Floyd Wentz and daughters, Cynthia and Suzanne, of Marinette street enjoyed a three weeks' vacation trip to Bismarck, North Dakota, where they were guests at the home of Floyd's parents, Mr. and Mrs. Jake Wentz. During their stay in Bismarck, a family reunion

was greatly enjoyed. En route home, the Wentz's took in just about every scenic spot they could—and then landed at home in time for school, tired but happy!

There Were Two "Happy Birthdays" parties on Reynosa this week. Returning home from an "out-to-dinner treat" by hubby, Mrs. John Lie Van was pleasantly surprised to find daughter Sally and her husband, Ivan Eckersley, waiting with neighbors, Mr. and Mrs. Jack Phillips and Mr. and Mrs. Frank Curry, to help her eat birthday cake and ice cream, and round out a very pleasant evening.

Across the Street, Johnny Phillips celebrated his sixth birthday with a patio party at which 15 little guests romped, played and helped enjoy the party goodies.

Let's Greet New Neighbors at

1977 Reynosa drive with a cheery and welcome "hello." They are Mr. and Mrs. Armand (Evelyn) Roy and their three children, Fred, Bobby, and Edith. They're from Amesbury, Massachusetts, and have joined Mr. Roy's sister, Mrs. Yvonne Bottorff, of Falena street, in establishing their residence in California. Mr. Roy is at present employed in Gardena as a tool and die maker.

Talking 'Bout Yvonne Bottorff—she and her husband and two sons joined L. E. and Ruth Price and their two daughters, former residents of Kettler Knolls in a camping trip to the High Sierras and Lake Tahoe.

Arriving Late (as usual) for the PTA. Pot luck get-together at the park last Thursday evening, we were still in time to enjoy the many delicious foods and marvel at seeing so many Kettlerites at one gathering.

After the tables were cleared the kiddies were entertained by movies, while their parents attended the meeting. Those we recognized among the crowd were the Beavers, Browns, Richardsons, Wentzes, Mooreheads, Devenishes, Helphands, Minors, Princes, Phillips, Kartzorke, the Wests, and even our own "Jack Baldwin family."

"Able Mable" is back in Kettler Knolls! Yessir, J. C. member Gordon Jones received the rabbit Sunday morning—in case folks have forgotten—Gordon will have to sign a new member to the Junior Chamber of Commerce roster before he can pass the rabbit to another fellow member. I'll let you in on a secret: "Jonesy" won't have the rabbit for long—so you J. C. neighbors, look out—Able Mable is on her way!

Members of Circle 7 of the WSCS will meet at the home of

Meeting Place Changed

The Rotary Club of Dominguez Area, at a business meeting held after the regular luncheon last Thursday, decided to permanently change the location of its meeting place to the Lone Pine Inn, situated at the corner of Sepulveda and Main streets in the Wilmington, Koy-stone and Avalon Village area. The meeting time, Thursdays at 12:15 p.m., is unchanged.

Mrs. Dale Stanton, 23105 Falena avenue, Thursday, October 9, during the regular monthly meeting of the organization. Co-hostess for the meeting will be Mrs. Emma Lou Clark. Mrs. Betty Morehead, chairman, will preside. The meeting is to start at 8 p.m. Highlight of the affair will be the costumes (Halloween is just around the corner) the members are asked to wear.

Sewer Hearings Slated For Eshelman Avenue

Time for receiving bids on the contract to install sewers in Eshelman Avenue and other streets near Torrance, was set for October 23, at the hour of 10 a.m., by the Board of Supervisors. Supervisor Raymond V. Darby announced that no protests had been received at the public hearing held in the Supervisors' meeting-room.

The area to be improved extends from 223rd street south to the end of Eshelman avenue.

8,000,000 BY 1960

Conservative estimates based upon calculations of the Bureau of Census indicate that an additional 8,000,000 students will be learning their three Rs in the nation's schools by 1959-60.
