CARRYING THE MAIL... Picking the Pigskin on his mail route last Friday night was Harry Bayless (34) who got plenty of help from Beryl Jones (48). Here he rounds the right end as two Oxnard line backers, Ben Cardillo (57) and Bill Corder (20) close in for the kill. Bayless carried the ball 181 yards during the game. ### Tartars Lose Jim Murphy

A new addition to the Torrance High casualty list as a result of the game with Oxnard last Friday was learned this week when halfback Jim Murphy turned up Monday with his ankle in a cast.

Murphy, who was developing into a shifty runner in Coach Cliff Graybehl's single wing formation, will be out for the season, Graybehl said yesterday.

The injured ankle was broken about two years ago. X-rays this week showed that it had been cracked again. Murphy is a standout baseball player and may be lost to the Tartars this spring. He is a junior.

## New Star Shines As Tartars Romp

Part of the Tartar football problems appeared solved Friday night as a speedy junior halfback romped to three touchdowns in his first varsity appearance to lead the Tartars to a 25-6 victory over Oxnard High.

Taking the ball 70 yards for a T.d. the first time he carried it in a varsity uniform was Harry Bayless, 155-pound Tartar who was promoted from the Bees last year. He scored on the Tartars third play of the game by going through a tremendous hole gouged out of the Oxnard line by Cal Browning, George Johnson and Bill Gray.

He repeated in the third quarter with a dive into the end zone from the four after the ball was brought down into scoring territory on an 11-yard pass from Bill Crawford to Jack O' Cain.

### LOOSE AGAIN

Four plays later Bayless broke through the same hole in the line he had scored on earlier and romped 45 yards to the promised land again.

The Tartars' other T.d. came in the second quarter when Crawford passed a perfect strike to End Larry Roy good for 30 yards and six points.

### PLAY IN DOUBT

There was some doubt at the end of the first quarter whether the game would be continued, according to officials. The Oxnard play which set up their only score was started after the quarter had ended.

The timer's gun didn't work when he pulled the trigger, however, and the officials didn't hear the horn, which was quickly substituted. When told by the timer that the play had started several seconds after the quarter ended, the officials explained the situation to the Oxnard coach.

## Gridders High For Opener Tomorrow Night

By REID BUNDY

If altitude has any bearing on a grid contest, the Inglewood Sentinels had better brace themselves for a rough time of it tomorrow night because the Torrance Tartars are going to be higher than kites.

"Inglewood can be had," was the word that went around the locker room at Torrance High Monday afternoon, and there was no lagging of spirit as the practice sessions wore on this week.

Coach Cliff Graybehl put his charges through stiff drills Monday to loosen up muscles that had taken a beating in the Oxnard contest Friday night.

He listed Bill Gray and Charlie Camou as doubtful starters Friday. Camou, who was injured two weeks ago in Glendale, is still having trouble with his knee, while Gray was sidelined during the Oxnard game last week with a bad bruise on his left arm, which has been amputated at the elbow.

"Wolfe and I think we've found a winning combination, so we'll have to stick with it," Graybehl said. Vern Wolfe is the backfield coach.

Fleetfooted Harry Bayless, who romped a total of 181 yards in 15 tries, won himself a spot on the starting eleven, Graybehl said.

Other backfield starters will include Ed Jim Murphy or Ted Marcoux at right half, Beryl Jones or Bill Crawford at full, and Crawford or Chic Cope at inside half.

## Lightweights Open Bay Season Against Inglewood Here Today

By LEO MELTVEIT

The Torrance Bee squad football coaches have been putting the finishing touches on their boys this week in an effort to get them set up for their Bay League opener against Inglewood this afternoon.

The Bees dropped their second game of the season to Fairview at Compton last Thursday by a score of 19-13. The Torrance squad showed very much improvement since the opener against Glendale Hoover. The Bees were a smoother working team and their defensive squad was much stronger.

The team suffered from some bad breaks in the first half, however. The Bees fumbled several times and picked up some costly penalties. Buddie Powers, along with Don Atkins and Harry Fralich, showed some fine backfield speed on offense.

The defensive department was led by Richard Cosgrove and

- Dave Molinar, both of whom played an outstanding game for Torrance.
- The probable starting lineup for Torrance against Inglewood this afternoon will be:
- LT—Jerry Ferrar
  - LT—Roy Stamps
  - LG—Heide Katsuda
  - C—Bobby Hopkins
  - RG—Warren Stamps
  - RT—John Sousa
  - RE—Al Porter
  - RB—Buddie Powers
  - Q—Don Kasten
  - LB—Don Atkins
  - FB—Harry Fralich
