

Tartar Teen Talk

By BETSY SHAW

November 9, 1951. On this night alumni of Torrance High School will return to see their alma mater ruin Redondo during one of the most sensational football games of the season. Yes, the Torrance-Redondo football contest will be the scene of the first annual Homecoming Football Game. Special half-time activities in honor of the alumni are being planned by the high school band. To build up school spirit, Ellen Koehn, commissioner of activities, is organizing an exchange pep rally with our rivals on the afternoon preceding the game.

This promises to be the most exciting affair of the season. Alumni, don't fail to attend! Torrance High School welcomes you to its first annual Homecoming Football Game.

The results are now known. Class elections are over and the beaming new officers, campaign speeches forgotten, are beginning to fulfill the duties of their respective offices. Under the able leadership of Jim Donet, Cynthia Easley, Ann Steinbaugh and Jerry Burns, newly-elected freshman class officers, a successful year is promised. Jerry Burns, sophomore class president; Lynn Lorenz, Babs Hazzard, Sally Sprout, Mary Sue Easley and Sandy Sanders are the new governing body of the class of '54. The new junior class president, Dan Mayers and his cabinet, Ted Marcoux, Sally Kayakawa, Amy Okazaki, Joan Stephens and David Forcier are planning to make this the best year ever for the class of '53. Edgar Forcier is the capable leader of the senior class. Tom Long, Shirley York and Karen Ness make up the cabinet and will lead the senior class on to a very successful year.

The four class presidents make wonderful additions to the Student Council and we're sure that with the help of the student body they will do an excellent job of representing their classes.

After much discussion and heated arguments, the Student Council has decided to treat the football team to dinner. A meal of roast beef and mashed potatoes will be served the team following the La Jolla game. Although \$92 sounds like a lot of money to spend, these athletes deserve it.

Time is running short. The Associated Student Body Card contest is nearing a close. Friday, at a pep rally preceding the Leuzinger game, the class with the highest percentage of its members with ASB cards will be presented with a large gold trophy. At the present time the senior class is in the lead but the competition is keen and the contest isn't over yet.

What are these Deltas everyone's been hearing so much about? No, they're not sororities. They're service clubs of the Girls' League at Torrance High School and are open to any and all girls who wish to be members. The Deltas were organized last June but did not go into action until this September at the opening of school. Their purpose is to promote friendship between the girls and to unload some of the burdens of governing the Girls' League from the officers. With seven Deltas to choose from, the student has a variety of fields open to her and can always find a Delta in need of her special talent. These Deltas are already proving to be a big success and an asset to the Girls' League.

That brings you up to date on all that is happening on the campus of Torrance High School.

Spaghetti Disappears In One 'Sup'

Following a spaghetti dinner prepared for 50 and consumed by 35 last Saturday night, five new members of the Torrance Key Club were accepted into membership of the organization at the home of Mr. and Mrs. Charles E. Wallace.

What appetites these high school boys have," commented Mrs. Wallace, who followed a recipe for 50 in preparing the feed.

Joining the ranks of Key Club spaghetti fans were Ted Marcoux, Ray Kelley, Chuck Bingham, Kelvin Figgins, and Bill Leetz—all new members of the organization. The club is a group of high school aged boys sponsored by the Torrance Kiwanis Club. President of the youth group is Harvey Rushfeldt.

The sales office will remain open Friday and Saturday from 9 a.m. until 9 p.m.

Sharp Decline Reported in Job Seekers

A sharp dip in the number of persons seeking employment through the local Department of Employment offices was reported this week by Mrs. Winona Ellis, manager of the Torrance branch.

employed and seeking work no Torrance residents were seeking work in such areas, which include nursery, vegetable, and dairy workers. Her complete report on available applicants:

At the same time in September, a total of 461 were registered with the office for jobs, the records show.

For the first time in several months the search for jobs in agriculture dropped out of the picture. Mrs. Ellis reported that
