Hi-Lites Of Seaside Heights

By GRAYCE RYCKMAN
Frontier 5-1779

This past week was one of parties and good times. Collectively, a good time was had by all who attended the first PTA meeting of the year that started with an excellent pot-luck dinner, included movies for the children, singing entertainers for the group, and ended with a thoroughly enjoyable "business" meeting. Representing our own area, the Heights, were the following families: the Wagstoffs, Sokolowskis, Nix, Thornes, Robinsons, Holstins, Eberles, Jurisches, Waddinghams, Webbers, Steeles, Ziskins, and Ryckmans.

Dorothy Kirschner, of 5333 Bindewald road, was recipient of a "Shower-for-the-Bride" party last October 10, given by Mrs. Alex Leverenz, of 5263 Zakon road. Guests included Mrs. Amy Leising, Mrs. Zena Gaines, Mrs. Anna Mae Elker, Mrs. Maryon Martin (sister-in-law), all of the Heights; also Mrs. Bertha Masulis and the Misses Anna Mae Lovegren, Joyce Loftus, Alice Yonally, and Majorie Thomas. Dorothy will be married to Henry Leo Marchal, of 5267 Zakon road, on Sunday, the 20th of this month, at St. James Catholic Church. Congratulations, Dorothy and Henry.

Just recently back from a two weeks camping trip are Mr. and Mrs. Howard Wilkerson and grandson, Jerry. They went to the desert by way of Salton Sea, but after one day and night they found the weather just too warm. So they went to Idyllwild, and I couldn't begin to write the praises they sing of the remainder of their vacation. They really had a marvelous time.

Mr. and Mrs. Ross Leonard of Zakon have also recently returned from a vacation trip. They went as far as Denver to visit friends and came back through the Sierras for deer season. Their hunt on the deer hunting was the same as all others I know who went hunt-

ing this season—"No, no deer, dear." But a swell trip.

We would like to extend our sympathy and any help we can to Mr. and Mrs. Ledbetter of Bindewald road whose baby, 2-year-old Gary, returns from the hospital soon, where his illness was diagnosed as diabetes. Norma Ledbetter will be in Home Nurses Training for a week to learn to care for Gary.

Have you bought your Girl Scout Calendar yet? The Brownies of Seaside area are selling them to add money to their treasury for projects they want to do this year. If you have not been asked, contact Mrs. Ruth Waddingham, of 5303 Bondevale; Mrs. Gladys Anderson, of 5007 Reese road, or Mrs. Betty Rowan, of 5305 Carol drive. And thanks to all of you who do buy "from our own Brownies, Troop 1058."

Mrs. Carolyn Sibley, of 5001 Macaffee, seems to have finally contacted the proper people to have something done about the mosquito-breeding water puddle in the field behind the houses on that street. She went to Seaside School and talked to Mrs. Beck, secretary, who immediately started action. Now we'll see what happens, after all the "stalls" to date.

The Cub Scout meeting of Pack 728-C at El Retiro Park, on Friday evening, October 19, will feature Bill Bent, Scout executive. There will also be a movie entitled "Cubbing in the Den." All Cubs and their parents are invited to attend. Time: 7:30 p.m.
