## Tor-Lom Nine Seek 2nd Straight Sunday

With an impressive debut behind them, the new and unbeaten Torrance-Lomita semi-pros will be seeking bigger and better things this Sunday when they meet a reportedly potent 20-30 Phillies nine on the Torrance Park diamond. Game time is 2 p.m.

The Tor-Loms' heavy artillery, Henderson got credit for the victory. led by the noted former Narbonne High cannon, Paul Pettit, will get a chance at the slants of Bob Schulte, Tacoma pitcher, or those of John Payne, Klamath Falls ace, depending on whom Manager Bill DeCarlo chooses to nominate.

Tiny Police, Tor-Lom pilot, has a sturdy staff of five moundsmen, including Nick and Ambrose Palica, from which to select.

Feeling 3-1, the Tor-Loms caught fire in the last of the eighth frame with four runs Sunday to defeat the Glendale Thunderbirds, 5-3.

It was a home run over the right field fence by Hal Jackson with nobody aboard that ignited the game-winning Tor-Lom only. Bill Johnson and Bob Hobbs walked. Pettit smashed a double into center field scoring the pair, then went home on Ed Roberts cradling single through shortstop.

Pettit and Jackson with two hits apiece were the leading Torrance-Lomita batsmen. Oakie

## Ex-Tartar Track Star Burning Japanese Tracks

Continuing his winning ways on the cinder paths although stationed in Japan, S. E. C. Raymond E. Paxton, former Torrance High School athlete, now a member of Company A, 578th Engineers (Torrance's own), Paxton was recently awarded a trophy for placing second in the 440 in a track meet staged for U.S. troops at Camp Haugen in Japan.

He is the son of Mr. and Mrs. Russell M. Paxton, of 1301 Crenshaw boulevard. Before entering the service with the 40th Division in September, 1950, Paxton attended El Camino college for a year and worked for the American Standard and Radiator plant here.

His wife, Barbara, is now living in East Los Angeles, according to Paxton's mother.

## Seahawks Pushed To Get 13-7 Win from Tribe

El Camino's hustling Warrior gridmen were edged by the Harbor Junior College Seahawks, 13 to 7, last Saturday night on the winner's field. The Warriors now have a one win and two loss record for league play.

The Seahawks, a 10-lettermen team, were heavy favorites before the game, but the Warrior contingent came very close to upsetting the Hawks.

Coach Amby Schindler's outfit capitalized on a break in the first seconds of the game and scored with the contest but one minute old. The scoring play was set up when a Harbor backfield man took Barney Komenada's kickoff, returned it 10 yards and fumbled the ball after a vicious tackle. El Camino's Bob Moneymaker pounced on the loose pigskin and the Blue and Grey had a first down on the Harbor 24-yard line. They scored two plays later.

Midway in the second quarter, the Harbor eleven marched 24 yards on 8 plays to score their initial touchdown. Halfback Don Woolver broke through right tackle and went nine yards unmoled on the scoring play. All through the evening it was Woolver that sparked the Harbor offensive attack. The triple threat carried the ball 36 times, gained 73 yards, punted and passed on several plays.

Highlighting the third period was the second Harbor touchdown and an exchange of fumbles between the two rivals.

Both aggregations fought on even terms during the final period and the game ended the way it began, Harbor 13, El Camino 7.

## El Camino to Try Again for a Win

El Camino and Modesto tread the cinder-turf of the local football bowl in a non-conference clash Saturday night at 8. Modesto has had a successful season thus far, winning its first three games without a loss.

The Warriors, in the midst of their worst campaign, are attempting to hit the winning road, a road they've traveled but once this year. Tough luck has dogged the Blue and Gray throughout their six games. Last week's loss to Harbor by six points was by far the best effort put in by the Schindlermen to date.

The Northern Pirates boast a crew of top-notch runners in Thad Murrin, Jimmy Conover, Larry Young, Joaquin Costa and Marvin Halfield.

Conover has racked up a 6.7 average each time he has carried the ball. Young has posted a 5.7 average, while Costa posted a 4.5.

Top passer for the Northerners is Mickey Ulloa. He threw 27 passes against Hartnell, completing 11 for 270 yards; chief targets were Keith Grieve and

## Bees Face Test Here Against Samohi Today

By LEO MELTVEDT

Torrance Bee's will face the supreme test this afternoon, when they clash with the Santa Monica squad here at 3 p.m.

The Tartarabees who won their second league game in a row by defeating Leuzinger last week, 7-0, will have a job on their hands this afternoon.

The locals proved themselves on defense last week, but looked rather shaky on offense. Late in the third quarter, Buddie Powers took off around left end for 55 yards and scored the only touchdown of the afternoon.

In the fourth quarter, the Leuzinger squad, trying to even the score, marched to the Torrance eight-yard line. They fumbled on the five however, and the Tartars pounced on the ball as the game ended.

The Tartars have been drilling on offense during the entire week, and should be able to give Santa Monica a run for its money.

The probable offensive starting line-up for this afternoon will be:

11 — LE — Jerry Farrar  
30 — LT — Roy Stamps  
45 — LG — Ichie Katsuda  
34 — C — Bobby Hopkins  
43 — RG — Warren Stamps  
10 — RT — John Sousa  
22 — RE — Al Porter  
25 — RH — Buddie Powers  
36 — Q — Don Kasten  
27 — FB — Harry Fralich  
44 — LB — Jerry Neely

## Cancelled Bike Race Rescheduled

The Torrance-Leuzinger football game was not the only sporting event heretofore hampered by the dense fog last Friday evening. The 1951 Motorbike finale, slated for Carrell Speedway, was cancelled when it became apparent that no bike rider in his right mind would try to race on a track he could not see.

"Weather permitting, we'll have the affair this Friday night, instead," Track Manager Don Basil said this week.

Slated for the final dash are Chuck Bessy, Bert Brundage, Don Bishon, Tex Luce, Bob Shirey, and many other top pilots. A trophy dash heads off the spring program at 8:30.

## Anglers Switch Gear For Steel-Head, Salmon

When California's summer trout angling season came to an end last Wednesday, many sportsmen merely switched gear and went after steelhead—the rainbow's ocean-going cousin.

In a score of California counties between Orange and Del Norte, specified streams tributary to the Pacific were opened to the annual pursuit of steelhead and salmon.

Bag and possession limits of three trout or salmon or combination will prevail north of the Golden Gate, with a two-fish combination limit south of Contra Costa and San Francisco counties.
