

UP-GO DECORATIONS... Making McMaster Park Recreation Hall look real halloweenish are these members of the North Torrance Civic Improvement Association which is sponsoring a kids party in the Hall on Halloween. Pictured are (l. to r.) Mrs. A. L. MacKenzie, Mrs. Anne Collins, Eddie Collins, and Al MacKenzie.—Herald Photo.

## Decorate Hall For Halloween Party Wednesday

Aimed at decreasing "gate swiping" and "window soaping" is a party for kids of North Torrance, to be held on Halloween in McMaster Park Recreation Hall from 6:30 to 8:30 p.m.

The party is sponsored by the North Torrance Civic Improvement Association, which has arranged for many prizes for costumes. There will be Halloween handouts for the party-goers. All children 12 years and under are invited.

Larry Gatti, party general chairman, reminds parents of the area that there will be no transportation furnished to the party, and that parents should arrange to bring and pick up their children.

## Tartar Teens To Doll Up For Hoedown

A costume dance for members and friends of the Tartar Teen Club will be held in the Torrance Civic Auditorium Hall, Wednesday October 31, according to Karen Ness, dance committee chairman.

Dan Stewer's seven-piece band will play for the three-hour dance which is to start at 8:30. According to Miss Doris Avis, adult advisor to the group, admission is free to members in costume. Those not in costume will be charged 75 cents, she said.

"...and Levis are NOT a costume," she pointed out. "If the boys want to dance in Levis they'll have to do it out on the sidewalk—alone."

day were the adults of the area who attended a party at the hall last Saturday.

## Liquor License Earnings Told

Torrance's share of the liquor license fee earnings during the six months ending August 31 amounted to \$3340 according to City Clerk A. H. Bartlett.

The state earnings for the period, \$2,805,000, were 10 per cent below those for the corresponding period a year ago. Despite this drop allocations to cities and counties during 1951 will exceed those of last year by \$8000, due to April's distribution, which was well above that for 1950.

## Civic Group Seeks Change In Zoning

A special meeting of the Del Amo Civic Association was held at the home of Mr. and Mrs. Lyle Jensen, 1633 W. 228th street, on Tuesday October 16.

Joseph Meskel, president of the association, presented for discussion the rezoning of the north side of 228th street from M-2 to R-3. The meeting was then turned over to Vice-president Bill Stuart, who presided for the rest of the meeting while Meskel participated in the discussion.

The residents were informed of the importance and benefits for later improvements if this change of zone was made.

Mrs. Helen Knight, secretary-treasurer, recorded the minutes of the meeting.

Councilman John S. Gibson Jr. of the 15th District, was present and expressed approval of the newly-formed association. He also pointed out that a close cooperation was of prime im-

portance.

Other important guests interested in this newly-developed area were Mrs. Amanda Bonwell, principal of Halldale School; Mrs. Myra Nelson, assistant superintendent of schools, South District and Mr. Mullock, assistant to the director of educational housing, all of whom participated in a question and answer period.

### LUMBER LOAD

Forest products make up one out of every ten carloads of revenue-producing freight hauled by American railroads in an average year.
