## Marine Tosses Hat in Ring For Congress

Into the 17th Congressional Republican "hat ring" this week went the green Marine Corps cap of Bob Finch of Long Beach.

At a meeting in the home of Kenneth Raynor, also of Long Beach, Finch's name was suggested as a candidate even though the candidate may not be around during campaign time. He is currently serving with the U. S. Marines.

The candidate served during World War II as an enlisted man and as an officer in the Marines. He was recently recalled to active duty.

Finch, a candidate who has lived in the area since 1929, will oppose Congressman Cecil R. King for the office.

The Republicans' nominee is a member of the American Political Science Association and has served as executive secretary to Congressman Norris Poulson in Washington.
