Broadway Hits To Be Heard at 'Pops' Concert

Music from popular Broadway hits will be offered by the Torrance Concert Orchestra during its first concert of the fourth season to be held in the Torrance High School Auditorium on November 30, according to Abe Milstein, conductor.

To be heard as featured soloist is Mrs. Joan George, one of the featured solo artists heard in the recent "Three Nights in Torrance" benefit show and other local productions.

Numbers featured will be: Manhattan Serenade, Hit the Deck, Show Boat, The Chocolate Soldier, On the Trail, Claire de Lune, Italian Street Song.

This program is sponsored by the Torrance School of Adult Education and is free to the public.

Of special interest to Torrance and South Bay residents will be the large number of local people in the orchestra. These people attend the regular free adult classes at the Torrance High School, which are held on Wednesday nights at 7 o'clock, in the Torrance High School Auditorium.

Lampshade Class Starts

Starting this morning at the Walteria Recreation Hall is a new class in lampshade making offered by the Torrance Adult School of Education.

Women, regardless of residence, who wish to enroll in the class are urged to contact the instructor, Dorothea LeMenager, at the recreation hall today before noon.

The free class will meet each Thursday morning from 9 a.m. until noon. Instruction in the making of new lamps as well as revamping old lamps will be offered.

When do we Eat?

That's always a good question when you're traveling. Too often, the answer is less definite than your appetite. But not when you travel on one of S.P.'s great new trains. Then you eat when you want, what you want. A fine restaurant travels right with you. Eating on the train is half the fun of traveling. S.P.'s great streamlined fleet, shown below, adds popularly priced meals to economy Chair Car accommodations, giving a well-rounded travel bargain.

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Lots of leg room and move-around room. Extra large windows. Feather-touch doors. Spacious washrooms.

That's why Chair Cars on S.P. streamliners are the most luxurious form of all low-cost transportation.
