

## Tartar Teen Talk

By BETSY SHAW

Last Saturday, December 1, the Bay League Prom was held at Beverly Hills in their modern Swin Gym. With approximately 200 attending from the six Bay League schools, the affair proved a big success.

The most exciting event of the evening was the presentation of the football awards, whose recipients had been kept secret until that time. Harry Bayliss, Bill Gray and Beryl Jones received honorable mention All-Bay League, which, needless to say, is a big honor.

### Santa Discards Sleigh for Trip Through Town

Santa Claus will discard his traditional reindeer and sleigh for a modern truck to make a quick journey through Torrance, if tentative plans made by the Junior Chamber of Commerce materialize.

Santa will hop into a flat-bed truck, according to the Junior Chamber, approximately 10 days before Christmas, to take a jaunt through downtown Torrance. The "Santa Special" will pause at various places long enough for the whiskered gent to ask children the familiar "What do you want for Christmas."

The "Santa Special" will be completely equipped with a Santa workshop.

Jack O'Cain, GeGe Johnson and Cal Browning were placed on second-string All-Bay League. These awards are given to the players who have shown outstanding teamwork and sportsmanship during the football season and, with approximately 300 football players to choose from, a boy receiving one of these awards can consider it one of the biggest honors of his football career.

Another tense moment immediately preceded the awarding of the Sportsmanship Trophy. Santa Monica and Leuzinger High Schools tied for first place and were each given possession of the trophy for six months. Since there were only 13 points separating the winners and the losers, each of the other Bay League schools were awarded smaller trophies for exhibiting outstanding sportsmanship at football games.

The Senior Class would again like to remind the public not to miss the final performance of "Men Are Like Streetcars" Friday night.

#### DATA FOR PHOTOGS

Data books for the dyed in the wool amateur photographer contain tables and dials to help him make perfect exposures. They are inexpensive and make good gifts, especially in view of the fact that they may be carried in the pocket.

WORKERS SHOW THEIR WARES... Art work done by Shell Chemical Corporation employees is now on exhibit at the plant cafeteria, 1931 South Figueroa street. The exhibit, sponsored by the Employees Activity Association, consists of photos, drawings and oil paintings. Here three cafeteria patrons inspect some of the work. Prizes will be awarded to the best work in each classification.

CONTEST WINNER... Mrs. Norman Hale, of 16937 Elgar, is here showing how she penned a note in the White King letter-writing contest which was judged a first-prize winner. For her efforts she won the Westinghouse Laundromat and the clothes dryer shown here. Presenting the prize is John Joyce, (left) White King representative while Len Swanson, of Len's TV looks on. Presentation was made at Len's at 1615 West Carson street. (Herald photo).
