Without a doubt the ham dinner and bazaar given by the Community Church Ladies Circle was one of the most profitable projects of late. Many unexpected diners were turned away. The needlework as always was in big demand. From tea towels to crocheted dolls, the sales were more than was planned for. The very pretty and timely Christmas trees caught the eye of all who attended.

An invitation is extended to teachers and parents of El Nido and Perry Schools to a waffle luncheon at the home of Mrs. Glen Runsted, 18326 Roslin, on Friday, December 7, from 12-3. All are invited to aid in the special Christmas project that is well under way.

Two more classes in Parent Teacher education will be held Friday at the 17315 Atkinson home of Millie McBea and at the Fagnano home at 17223 Atkinson.

Our sick list seems to be growing by leaps and bounds! R. B. Woods, 18520 Regina, is ill, as is Edwin Woods, of 18505 Regina. Abel Muniz, 18420 Roslin, is at home after an appendix operation. The Edwards family have been bitten by the "flu-bug;" Sammy, of 18820 Regina, is ill, and also his mother, Evelyn. Those speckled ones with chicken-pox include Joanne McGeachy, Cynthia Russell, Linda Brownson and Jimmie Carroll, not to mention the many others.

Doug McGeachy, 4589 West 179th, is having a cast removed from his foot this week. Many weeks ago, it seems Doug injured his foot while playing football.

Welcome to the R. Briggs family, who have moved to 18237 Roslin.

Marked improvement has been noticed in the home at 18544 Roslin. Seems as though the very busy hands of Mrs. DeNunzio, the new owner, have paid out, and as a result a friendly atmosphere prevails with flowers everywhere.

Mrs. George Simonson, 18529 Burin, has as a houseguest Lena Cooper of Chicago, who will spend the holidays and later will move to Los Angeles.

Babies are very much in the news this week! On November 29, Diane Catherine Carroll was born to the William Carrolls of 4328 West 178th place. A girl was born to the Kenneth Tozers, 4343 West 178th place. A boy arrived at the Callaway home at 4332 West 179th place.

Mr. and Mrs. William Sale, 17208 Ardath, attended the foremen's banquet of North American Aviation held at the Rodger Young Auditorium. Later the group danced at the Hollywood Riviera Club.

Welcome home to Donald Schultz, 18245 Roslin, who has spent several months overseas with the armed forces.

Michael McBea really hit the jackpot this week! Not only did he talk over a few personal matters with Santa, but an hour later shook the hand of Hopalong Cassidy. Michael was presented with a button, which proved to be a lucky number entitling him to a gun and holster set. How lucky can one little boy get?

Speaking of luck, Mrs. Vera Wright, 18238 Roslin, should be an authority on it! This week she won two knitted dresses on the New Yorker show!

Several young ladies in our area have time on their hands and would like to write to overseas servicemen. If you know of a person who would care for a pen pal, will you call either MElo 4-2430 or FRontier 2-2285?

We are very unhappy to hear that Mrs. Duane Sherwood, 17204 Ardath, is ill. Martha is one of our very "favorite people" and we do hope she is up and at 'em real soon now. Ya hear me, Martha?

Gary Gleason has done a lot of knocking on doors these past weeks. In case you are wondering who Gary is, let me say he is a hard-working carrier for your Herald. If you have a friend or neighbor who isn't subscribing for the paper (there's one?), won't you have them call FRontier 24396 or drop in at 4315 West 179th? Gary will be more than glad to sign them up.
