

## Professional Women Plan Details of Yule Meeting

Elected to membership in the National Business and Professional Women's Club of Torrance at its recent meeting was Mrs. Tessa Berkowitz, co-owner of Burke's Bargain Spot.

Mrs. Muriel Whiting was appointed to serve as legislative chairman for the balance of the fiscal year. Mesdames Ayleene Moore and Helen Parrish were appointed as members of the transportation committee and all members wishing transportation to the various meetings of the club are requested to contact them.

"Torrance Tips" is the name of the new club bulletin. This name was submitted by Mrs. Arvilla Owens.

The annual Christmas party will be held at 7:00 o'clock Monday, December 17, in Irons Cottage, Redondo Beach. Hostesses are Mesdames Arvilla Owens, Addie Parks, Edna Reed, Gertrude Irons and Maude Fraser. Reservations are to be made by December 12 by phoning Arvilla Owens, Gertrude Irons or Zada Ramsey, WHOZIT gifts will be exchanged and all members are requested to bring a "tree" gift.

Mrs. Zada Ramsey, president, and Mrs. Helen Williams will attend the Los Angeles District meeting to be held December 8 in the Alexandria Hotel. Business followed by a dinner at 6:30 o'clock is scheduled.

"Getting Ahead On The Job" is the topic to be presented by guest speaker, Mr. Lawrence T. Cooper, assistant vice-president of the Pacific Telephone and Telegraph Company. Mr. Cooper is in charge of public relations and personnel for the company, and as such has had good experience in formulating and guiding public relations and personnel policies. Mrs. Ruth Brallo of Temple City, the District Education and Vocations chairman, has planned the program, which is of primary concern to both the beginning career girl and the business and professional woman of years of experience, since individual progress is deeply affected by a worker's attitude toward the public and the public's attitude and reactions.

Health and Safety will be highlighted at the afternoon session, when Mrs. Hazel Leighton of Glendale Service, the District Health and Safety chairman, presents a film through the courtesy of the County Public

### Health Department.

Music planned by Mrs. Doris Talbot of Griffith Park Club. District music chairman, will feature vibraphone solos by Mrs. Neone Jones, concert musician and teacher. Young Eugene House, 13-year-old baritone, will sing special Christmas numbers. Mrs. Jones will be his accompanist.

Next year the District clubs will become two Districts of the State Federation, with clubs east of Pasadena and south to the Long Beach area in one group, and the metropolitan clubs and the valley B.P.W.s in the other group. The new names for these districts selected by a contest among the clubs concerned, will be announced at the dinner session, Mrs. Myer states.

### THROUGHOUT OUR COUNTRY

As of June 30, 1950, your Red Cross field directors were assigned in residence to 285 military installations and visited 1021 smaller posts regularly. This program required the services of 881 paid staff members and thousands of volunteers.

### MEN, TOO

A monthly average of 16,000 members of the Gray Lady Service served during the year in 1835 hospitals and other agencies. But let's not give the ladies all the credit — some chapters have a GRAY MEN SERVICE.

### BLOOD IS BLOOD

Yes, even the Hottentots, Chinese, etc. have the same blood as you and I. It was at one time believed that blood from a cheerful person would make even a grouchy act gay. But 'tain't so. If the animal is human, his blood is identical with yours and mine.

It is trial that proves one thing weak and another strong. A house built on the sand is in fair weather just as good as if built on a rock.

—Henry Ward Beecher

Extraordinary afflictions are not always the punishment of extraordinary sins, but sometimes the trial of extraordinary graces.

## Delicious! M-m-m Roast Turkey for Holiday Dinners

There's nothing more festive for the Christmas feast than a golden brown turkey with all the traditional trimmings.

Of course, the size of the turkey depends on the number of people you plan to serve. Remember, a 15-pound turkey will serve 12 hearty appetites. If you plan to stuff the turkey, allow 1 pound of your favorite dressing to each pound of turkey. Make sure not to pack the stuffing in too tightly as it will swell in cooking. Secure the opening with a soft thread or with toothpicks across the opening, lacing it ladder-wise with a soft twine.

**TO ROAST**  
Place the turkey, breast-side up in a shallow roasting pan. Place it on a rack if you have one.

Brush the entire bird with melted butter or margarine. Then take several layers of clean, white cheesecloth, large enough to cover the breast, legs and wings of the bird; soak these thicknesses with melted butter or margarine and cover the whole turkey. Place in a pre-heated oven and baste occasionally while roasting.

There's the just-like-real-walk-

### LADY SMOKERS

So the lady is a smoker. Here's flattery supreme that takes shape as a glamorous cigarette holder. If her throat is sensitive she'll especially appreciate one of the holders equipped with a filter.

### SOME GOOD ADVICE

Those considering purchase of a major electrical appliance as a gift to mother this Christmas, should check early with appliances dealer in order to select what they want and be assured of delivery in time for the holiday on convenient terms.
