## God's Care Theme Of Church Lesson

Biblical examples of God's care for those that obey Him will be discussed in the lesson-lesson entitled "God the Preserver of Man," in all Christian Science churches on Sunday. The golden text is from the psalms and reads: "In God is my salvation and my glory; the rock of my strength, and my refuge, is in God" (62:7).

When John the Baptist sent his disciples to Jesus asking, "Art thou he that should come?" Luke's gospel reports that "in that same hour he cured many of their infirmities." He then replied: "Go your way, and tell John what things ye have seen and heard: how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the gospel is preached. And blessed is he, whosoever shall not be offended in me" (7:19, 21-23).

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good" (p. 10).
