Moon, a sophomore, has been moved back to Bee squad for more seasoning. Compton won the game played in Torrance. (Herald photo).

## Alondra Course Gets New Lease

Lease agreement with Alondra Park Golf Course operators Cecil Hollingsworth and Gomer J. Sims was amended last week, when the Board of Supervisors approved lower rental payments for the next 10 years, to enable the recreational area from operating at a loss.

In announcing the change in the lease, Supervisor Raymond V. Darby pointed out that the lessors of the ground had already expended \$200,000 in developing the course and clubhouse, and that in such development most of the profits had been used up. "It takes years to build up a business such as a golf course into a profitable enterprise," Darby remarked.

Because of an existing clause in the original contract which allows for an equitable adjustment in the case of emergency

## Rain Washes Out Carrell Program

Competition in the AAA Sprint Bowl, re-scheduled for this Sunday afternoon at Carrell Speedway, will be hot and fiery according to the railbirds along auto speed row.

Last weekend's rain gave many of the drivers additional time to get their mounts into top shape for the Sprint Bowl, which is now the first 3-A event of 1952.

Bullet Joe Garson, mighty midget champion of the Coast two years in a row; Louie Foy, the famed "Chinaman" of old Gilmore Stadium; Andy Linden, 3-A sprint car king of 1950; Joe Jones, who whipped Troy Rutman in eastern dirt tracks classics; Alan Heath, the famed "Seattle Madman" and Bouncin' Bob Gregg, the Northwest champion in 1950 and '51 all welcomed the rain which gave them time to perfect their speed wagons.
