The MYF held its election of officers for the year at the Walteria recreation hall on Sunday evening, January 6. Officers are as follows: Phil Falkenstein, president; Janet Van Dyke, vice president; Vicki Hagan, secretary; Dora Lee Chatin, treasurer; Margaret Tinkie, publicity chairman; Skippy Herrera and Carol Gooler, recreation chairman; Otto Stoffel, evangelism chairman; Robert Lemaster, service chairman; Pat Smart, missionary chairman and Guinn Chalmers, song leader. An appointed officer is Colleen Gordon as chairman of the choir. A beautiful candlelight service is planned with a special speaker next Sunday night at 7 o'clock at the regular MYF meeting. Special guests will include the new pastor and his wife, Reverend and Mrs. Bowling, and Mr. and Mrs. Tom Kirk. A great many young people are coming to these meetings.

Mr. and Mrs. George Moser of El Segundo spent part of the Christmas holidays at the Kirk home on Pacific Coast highway.

We were sorry to bid farewell to the George Powell family, who have lived in Walteria for a number of years. The Powells are moving from Los Co-

Classes Resumed In Adult School

A varied program of free adult classes is now starting its 1952 year, it was announced by Donald Manashaw, director of Torrance school of adult education.

Sponsored by the Torrance Unified School District, these classes are free to all adults regardless of residence. Students may start classes at any time and may go as often as they wish. Classes are held in several buildings throughout the city including Torrance High School, Seaside school, North Torrance school, Torrance Elementary, Fern Avenue school, Episcopal church, and Walteria recreation hall.

These classes include blueprint reading, cake decorating, ceramics, dressmaking, first aid, lampshades, gardening and landscaping, leathercraft, machine shop, nutrition, orchestra, personality, physical fitness, shorthand, social dancing, square dancing, textile painting, typing, and woodshop.

Those who would like additional information may telephone the Adult School at Torrance 645 during afternoons and evenings.

Eight Drivers Lose Licenses Here

Eight Torrance residents lost their drivers licenses between December 17 and December 21, while one had a license reinstated, according to records of the Department of Motor Vehicles.

Two residents lost their licenses as a result of conviction on drunk driving charges, one lost his as a condition of probation, one was cancelled, and four were suspended for violation of the State's insurance liability code.

dona avenue to take residence in their new home at 2422 Arlington avenue.

The mumps are really going to town lately. Many of our small fry are home with them, including Kenny Cramer, Lo's Codona; Paul Kettering, Nece avenue and Jimmy Langston, Danaha street. To all may we wish them a "get well!"

Heartiest congratulations are due this week for Mr. and Mrs. Rex Guthrie, Winlock drive, upon the arrival of husky twins, Cheryl A. and Rodney B. at the Torrance Memorial Hospital on the morning of December 31. Cheryl weighed in at 6 lb. 13 oz. while her brother, Rodney, was her close second at 6 lb. 11 oz. Mother and twins came home on Monday and feel fine. The Guthries have two other children, Debby and Jerry.

May we take a moment here to welcome new residents to our community, namely Rev. and Mrs. Bowling, who have come to serve at the Methodist Community Church here in Walteria. The Bowlings will reside in the parsonage on Park street.

Moreen Gordon entered Magnolia Hospital in Long Beach on Monday, January 7 for surgery. Here are our best wishes for a speedy recovery. Also on the sick list was Richard Rappe of Danaha street, who had a tonsillectomy last week. From last reports Richard is doing very well.

The WSCS held a meeting on Monday, January 7 at the home of Mrs. Buegner on 242nd street. The ladies met in the lovely rumpus room. Although illness cut down on the number of members present, it had no effect on their enthusiasm and they went to work to organize a circle for a working unit within the larger organization. Officers of this circle are chairman; Mrs. LeMaster, secretary and Mrs. Tonney, treasurer. Co-hostess for the evening was Mrs. Essex. After the business of the meeting was over the women enjoyed a social time over cookies and coffee. The next meeting will be held on Monday, January 21.

Several parties helped the festivities along on New Year's eve. Among them was a party at the home of Mr. and Mrs. Charles F. Donsi of Danaha street. Couples enjoying themselves were the Langstons, Merriells, Monaghans, Stewarts and John Monaghans.

Scouters Plan Annual Dinner

The dinner will be held Monday, January 28, at the Ambassador Hotel's Coconut Grove. Reservations may be made through Council headquarters or district executives.
