

Fenwick's, National Top City Cage Loops

Fenwick's and National Supply lead their respective divisions of the Torrance-Lomita basketball league on standings including games of last week, according to results released by Red Moon, city athletic director.

Fenwick's have a perfect record in the A division, while National has the same mark in the B loop.

ARAMIS DANDOY
... Wins a Letter

Aramis Dandoy Awarded Spartan Letter at SC

Aramis Dandoy, Torrance High's all-day league back of a year ago, was one of 20 players awarded junior varsity football letters this week at the University of Southern California.

The former Tartar star was a member of Jess Mortenson's starting Spartan backfield. The Spartans, made up mainly of freshmen, went through a seven game schedule with a perfect record.

Working out of the left half back, or tail back position, in the single-wing, Dandoy was regarded as one of the best prospects on the club by Mortenson and varsity boss Jess Hill.

Dandoy entered SC last fall after being named "star of stars" in the LA City-CIP all-star prep game in San Diego held late last summer. The 180-pound back immediately earned a starting job for the Spartans, last season's successor to the freshman club.

He was moved up to the varsity late in the season, after Jim Sears, former El Camino star, suffered a knee injury in the mid during the Army game. Although he suited up for Troy's three home games with Stanford, UCLA and Notre Dame, he did not see any action.

Dandoy's 47-yard touchdown jaunt against the El Toro Matines in his first college game turned out to be the Spartans' longest scoring play from scrimmage for the year. In this game, won by SC 35-13, Dandoy scored four times, only to have two runs, one of them good for 75 yards on a pass from Landon Exley, another former Bay League great from Santa Monica, called back.

The ex-Tartar also had a field day against the California Ramblers, a club made up of Pappy Waldorf's seasoned reserves, as the Spartans upset the favored

Next Wednesday the A division will play at Torrance High, with Fenwick's facing Torrance Merchants, Torrance National Bank going against Redondo Eagles, and Torrance Merchants talking on Allen's.

The same night the B division resumes action at the Lomita Park gym. The schedule pits Fierman's vs. Tredeks, Columbia vs. George's, and National Supply vs. Torrance Teachers.

The standings, as of last week:

Officers Elected At PV College

Elections were held at Palos Verdes College during the Orientation session this week, and James Hornel was named president of the Associated Student Body for the spring term. Anne Perrante was re-named to the office of secretary-treasurer. Other officers for the new semester are James Riddell, activities chairman, and Una Mae Brunskill, student representative.

Berkeleyites, 29-13, in Strawberry Canyon. The Cal club was made up of many former varsity and freshman lettermen, and transfers from junior college ranks.

While at Torrance, Dandoy made all-day honors both in football and basketball. At SC, Dandoy is passing up basketball, although he undoubtedly could help Bobby Koff's Spartan cage squad. During the winter Dandoy is working on improving his passing in an attempt to beat out Sears for the Trojans' starting left half spot.

Rains Wash Out Carrell Program

Heavy rains have turned the Carrell Speedway track into a quagmire of mud, forcing cancellation of Sunday's roadster racing program.

Promoter Don Basile made the announcement late last night after a weather forecast indicated that rains will probably continue through the weekend.

'Life' Theme For Christian Science Text

A growing understanding that God is life eternal increases longevity, according to the Sunday Bible lessons on "Life" in all Christian Science churches.

"Understanding is a wellspring of life unto him that hath it," declares one of the prophets of Solomon (16:22) which is used as the Golden Text.

Christmas Seal Drive Nets \$84.70 Locally

Torrance residents purchased \$84.70 worth of 1951 Christmas Seals from the self-service merchandisers placed here during the recent campaign, according to Mrs. Ralph King, who was in charge of the local drive.

These purchases, according to Sherman Asche, chairman of the Christmas Seal Fund Committee of the Los Angeles County Tuberculosis and Health Association, were in addition to Christmas Seal purchases made by Torrance residents through the regular mail sale.

"We have no way of economically tabulating these mail receipts by community," Asche said, "but we are confident that Torrance residents did their share in the support of the fight against tuberculosis."

Drafting Instructor Promoted To Administrative College Post

Wilbur Homes Smith, instructor in drafting at El Camino College, was appointed January 8 by the Board of Trustees to the position of assistant director of student personnel. In the new position Smith will head the counseling and guidance department as a successor to the late Don Frame, whose tragic death occurred during the Christmas holidays.

Smith has been an instructor at the local institution for the past two years and has been a counselor in addition to his duties as an instructor. He will serve as an assistant to Merl Sloan, director of student personnel. Smith holds a master's degree from George Peabody College in Tennessee and is now completing his doctoral degree at UCLA.

In other actions the Board transacted the following business:
1. Authorized the employment of Mrs. Claire R. Maddox as school nurse and instructor in hygiene. Mrs. Maddox is presently employed at East Los Angeles Junior College. She is a resident of Torrance and a registered nurse.
2. Approved various changes in classified personnel as recommended by the superintendent and director of business.
3. Authorized a call for bids for printing a college catalog, furnishing of instructional supplies and other items needed for use during second semester.
4. Received report from Engineer Harold Barnett of Pasadena concerning recommended changes in the water system.
5. Authorized the director of business to have constructed two dugouts on the baseball diamond.
6. Authorized a call for bids for the furnishing of two station wagons.
7. Held over until the next meeting of the Board the matter of revision of by-laws of the Board of Trustees as recommended by the Superintendent.
