

## Tartar Teen Talk

By BETSY SHAW

The results of the recent Student Body election are now revealed. Elected Student Body President for the coming school year was James (the Go) Johnson, Go Go, who has served as Commissioner of Athletics on the Student Council, will preside over all student body affairs until this coming June, when the school year ends. Assisting him will be the newly elected vice-president, Richard Ueland. Keeping an account of each meeting and handling all student body correspondence was the job voted to the commissioner of records, Betsy Shaw. Pat Garrison was elected commissioner of finance and she will be in charge of writing the Student Body Budget for the 1952-1953 school year. Better entertainment is being planned by the new commissioner of

entertainment Charlene Grace. Betty Peterson has plenty of activities in store for the student body as she was elected commissioner of activities. Commissioner of group control, Joan Stephens will have the job of regulating traffic between classes and keeping the student body in line. Regulating all interscholastic sports and presenting athletic awards is the job voted to Dan Mayers, the new commissioner of athletics. Marian McDonald is the new commissioner of publicity and in charge of giving Torrance High plenty of publicity. "Guilty or not guilty" are words continually being used by the two student court judges Ann Marie Bishop, girls' court judge, and David Scholl, boys' court judge. Jo Ann Benard and Kelvin Figgins are beginning to make plans for the Girl's and Boys' Leagues this coming semester. Jo Ann has just been elected girls' league president while Kelvin is the new boys' league president. The four class presidents, the Tartar Lady Queen, and the Tartar Knight Captain, have not as yet been elected, but along with the other officers they will take their place on the Student Council during the first of February.

## Textile Painting Class Opened by Adult School

A class in textile painting is being held each Monday and Wednesday nights at 7 o'clock at Torrance High School in room 202.

Both beginning and advanced students are welcome to attend this class free. Men and women can learn to make colorful, lasting designs on towels, napkins, tablecloths, ties, shirts, blouses, dresses, and curtains. Some of these designs are intended to dress up the home and to lend color and interest. Other designs can be used to make articles of clothing more colorful and attractive to the wearer. Still other patterns can make children's wardrobe much more interesting and much more enjoyable. Adults are invited to register in this class by attending the next meeting.

"Winter Wonderland" will be the theme song of the Student Council this coming weekend. On January 25 in the wee hours of the morning the old and new council will leave for Big Pines.

The 1952 Variety Show "52 Skidoo" is well under way to becoming the major production of the season. Under the direction of Student Director Dwight Hanna, dress rehearsals and all those hundred and one last minute details are completed. "52 Skidoo" is ready for presentation.
