

Set All-Time Record As State 'Gives Bird' To Game Fowl Hunters

Carl Van Ornum, chief of California's 15 game bird farms, virtually "gave the bird" to the state's hunters last year. A record number of Chinese pheasants, 107,697 in case you're dubious, and 2332 other upland birds were turned loose throughout the Golden State hunting areas.

Rods Will Roar If Weatherman Gives All Clear

The roaring hot-rods will take off their protective covers and try the third consecutive week to get off on the 30-lap main race favorite; Denny is the day Sunday at 2:30. Time trials are slated for 1 o'clock.

Twice postponed because of foul weather, the Gardenia rooster inaugural will feature a select field of 40 of the coast's fastest hot-rods. A 3-round trophy dash will start off the afternoon's festivities.

Bolton's Bob Denny of Glendale has been tabbed a pre-race favorite; Denny is the defending CRA champ in his Men-Vig-Dash special.

Walt James, top man of CRA and owner-driver of one of the three new rods in the field, predicts that the Glendale lad will have a tough go repeating his wins this year. James told that association cars have been speeded up and many can now crack the existing world mark of 160 mph.

The mark was set last fall at Bonnevill by Colby Scroggins in the Bruce Robinson special. Roy Whiting will pilot the rod Sunday.

Admission is \$1.50, with kids under 12 admitted free.

Northrup People Get Pay Raise

Approximately 2700 salaried employees at Northrup Aircraft Co. have been granted a five percent pay raise retroactive to Oct. 15, 1951. Oliver P. Echols, general manager said today.

The increase, approved by the Salary Stabilization Board of the federal government, follows a similar wage boost announced Jan. 11 for 12,000 hourly-paid personnel.

Deputies Find Flaming Cab; Seek Kidnapping Bandit

A burning taxi-cab left in flames teetering on the edge of a flood control ditch at Crenshaw and Redondo Beach Blvds., Saturday night, was one of the factors which has led to a state wide search for a Los Angeles bandit.

Sheriff's deputies from the Lennox station found the cab after it had been abandoned and fired, and after receiving more information, involved it with a strange kidnapping and robbery which had taken place earlier in the night.

A cabbie, Charles H. Cosby, Los Angeles, told officers he picked up a fare at 1st St. and Broadway at 2 a.m. and was ordered to drive to the Wilshire District.

At West Blvd. near Venice Blvd., the passenger whipped off a pistol, took \$8 from the driver, and had the cab stop on S. Hoover St. Here he told the cabbie that they were going to rob a store.

As the pair entered the store, the cabbie fled, and the crook beat it in the taxi.

Deputies broadcast an all-points bulletin for the bandit.

Auxiliary Urges Church Attendance

American Legion Auxiliary members will commemorate the anniversary, Sunday, of the fateful day on which the immortalized Four Chaplains gave their lives when a U. S. transport was sunk in the North Atlantic. Mary Tombs, local post commander, announced yesterday.

A resolution by the National Convention was passed calling for recognition in all posts by observing the date of Feb. 3 as a day to "Go to Church." Members are to urge people to attend the church of their choice and pray to God to hasten the day of peace.

Eddie 'King' Cole Now Sales Manager

The friends and customers of Eddie "King" Cole will be happy to know he has been promoted to sales manager of the Tom King Ford in Redondo Beach. A veteran of 23 years in the auto business in Boston and Los Angeles, Cole has been in the South Bay area for the past three years.

No Place Like Home—Humburg

Seaman Chas. R. Tomlinson, 5323 Doris Way, has been to sea for a long time, since November 20, 1951, to be exact.

And when Tomlinson came home Tuesday night, there'd been some changes made.

Someone had entered his home and stripped the place of every piece of furniture—in the kitchen, living room, everywhere.

He set the loss at \$700.

Camino Buys Fire Truck

El Camino College now has its own fire department, Carl Arredondo, director of business, said this week when he announced the purchase of a fire truck for the campus.

The truck will be housed and maintained by maintenance crew, and will augment the arrival of large pumps from County Fire Department stations in Lawndale, Lennox and Howards districts.

Awarded CBI Korean Badge

John F. Morrison was awarded the Combat Infantryman's Badge for service in Korea. Mrs. Evelyn Davis, his mother, was notified this week. Morrison has been on the front lines since October.

A graduate of Torrance High School in 1945, Morrison is with the Mortar Squad. His wife, Penny, is employed at Currie's High.

They reside at 811 Arlington Ave.

Asks Police Aid When 'Pal' Fails

John Mendoza of Wilmington had his hands full Friday night, he asked the Torrance police for help.

Seems Mendoza was out touring the area with a slightly indisposed dog, looking for Mendoza's 1940 station wagon, which the latter claimed he earlier had stolen and abandoned.

The "pal" passed out on the curb, and Mendoza wanted the ops to make him tell the whereabouts of his auto.

Mendoza says he had never seen the guy before he met him Friday night with the stolen confession.

LAPD found the car in downtown Los Angeles.

NEW HOME . . . Mayor Bob L. Haggard congratulates A. B. Smith, manager of the Pacific Telephone Co., on the opening of the new building at Cravens and Post Aves. last week.

Phone Office Opens Doors To New Plant

Pacific Telephone Co. opened the doors of its new quarter-million dollar building at 1307 Cravens Ave., Thursday afternoon, in ceremonies attended by Mayor Bob L. Haggard, Floyd Snyder and A. B. Smith, phone company officials, and other civic dignitaries.

The new structure houses the business staff and records department for the organization, and will hold automatic dial equipment when the modernized communication facilities are installed here. Rumor has it that dial telephones will be available in about 18 months.

More than 200,000 feet of conduit for the installation of thousands of miles of wire is being laid throughout the Torrance-Lomita area. Largest of the projects recently undertaken involves the laying of 128,000 duct feet between this city and Compton.

Phone company men will move in after private contractors finish the conduit laying job.

Council Approves Longren Building

Loogren Aircraft Co. at 2576 Carson St. has been issued a \$100,000 building permit after it got the green-light from the City Council last week. The chamber ruled that no public hearing was necessary before the planning commission prior to issuance of the permit.

The firm plans to construct a manufacturing building on company grounds. The Council earlier passed a motion calling for the hearing.

Adult School Lists Semester Schedule

An expanded program will be offered in the free adult classes of the Torrance School when the doors open for the new semester Monday morning.

Class instruction in blueprint reading, business English, cake decorating, ceramics, dressmaking, landscaping, physical fitness and a score of others will be offered.

Courses are held Monday through Thursday in both the morning and evening in many areas throughout Torrance and Welteria. Registration is accomplished by attending the first session of the class.

Further information can be obtained by calling Torrance 645 afternoons and evenings. There are no residence requirements.

First sessions meeting Monday include (all at the High School unless indicated):

Cake decorating, 7 p.m.; Ceramics, 6:45; Dressmaking, 6:30;

Dressmaking (Walteria Recreation Hall), 9 a.m.; Leathercraft (Seaside), 7 p.m.; Men's Physical Fitness, 7; Social Dance (Library), 7 p.m.; Textile painting, 7 p.m.; Typing, 6:15 p.m.; Woodshop, 6:30 p.m.; Dressmaking, 6:30; Machine Shop, 6:30;

Meeting Tuesday for the first time will be: Blueprint reading, 7 p.m.; Ceramics (Seaside), 6:45 p.m.; Civil Defense (No. Torr.), 6:30; First Aid (Seaside), 7 p.m.; Landscaping, 7 p.m.; Personality-Speech-Drama, 7 p.m.; Physical Fitness, 7 p.m.; Short-hand, 6:15 p.m.; Square Dance (Torr. Elem.), 7 p.m.

Wednesday classes include: Ceramics (No. Torr.), 6:45; Lamphades (Episc. Ch.), 9 a.m.; Lamphades, 6:30 p.m.; Orchestra, 7 p.m.

Thursday first sessions include: Business English, 6:15; Cake decorating (No. Torr.), 7 p.m.; Lamphades (Walt. Rec. Hall), 9 a.m.

Petroleum Courses Offered by Harbor

Three courses designed for specialists of the petroleum industry will be offered at the Harbor Junior College this spring, according to the college, this week.

A course in petroleum testing, one in refining processes and one in advanced refining chemistry will be offered during the spring semester which begins next Monday, Feb. 4.

Grandmother Dies at 93

Death last week took the 93-year-old grandmother of John V. O'Malley, superintendent of the Herald's stereotyping department, at her Hollywood home.

A native of Pittsburgh, Pa., Annie B. O'Malley had lived in California for nearly 30 years.

John O'Malley and his brother, Val, first cameraman at Columbia Studios, were raised by their grandmother from early childhood. She used to entertain them with stories of her youth during the Civil War, and often told them of helping her family hang the mourning crepe on their doors when President Lincoln was assassinated.

Services for Mrs. O'Malley were held Saturday at Forest Lawn. Private cremation followed.

Public Notices

In the office of the County Recorder of said County.

South of the Border

Pair Say Mexico Culture Valuable

Two Torrance students—Robert C. Everts, of 4507 Spencer street, and Norman D. Kopley, of 4328 W. 197th street, are among the student body of Mexico City College.

An institution termed unique in international education, the college holds the distinction of being the only one in all Latin America which gives students the opportunity to study under a system that follows the same plan as universities in the United States.

Studying in the heart of Latin America is considered especially valuable by Kopley, a business administration major, who says he finds it essential to understand the Latin mind, culture, and way of doing business with the increasingly important role that Latin American countries are playing in world economy.

Before entering Mexico City College, Everts attended Torrance High School and the University of Washington in Seattle. He is a veteran of two years service with the Coast Guard.

About 75 per cent of the student body at the college is from the United States and students live with Mexican families, hand-

picked by college authorities, or in modern apartments. The current rate exchange of pesos for dollars makes the American money go much farther than in the United States.

Sporting events, movies, cultural presentations, dinners, all cost less than half of Stateside prices, the two men report.

Police crews have been assigned a one day stay at each school, but the officers will issue bike tags to those that missed at the station tomorrow.

Issue Tags At El Nido

Bicycle registration is under way today at the El Nido School, and will be held tomorrow afternoon, 3 to 5 o'clock, at the Torrance Police Department.

Police crews have been assigned a one day stay at each school, but the officers will issue bike tags to those that missed at the station tomorrow.

We Rebuild Motors LIKE NEW!

Your engine may chug, spit, knock and squander gas and oil—NOW . . . but when you drive it out of our shop, it will run like a brand new car! Modern tools and know-how make the difference.

Phone Torrance 1732
HENRY BACKLUND
1959 Torrance Blvd. — Torrance

Here Friday!

THE GREATEST CAR EVER BUILT

IN THE LOW-PRICE FIELD

The big 1952 FORD

Out-rides them all!

The '52 Ford gives you riding comfort such as you have never before experienced in a car in the low-price field. With front springs tailored to the weight of each model, longer rear springs and diagonally mounted shock absorbers, Ford's Automatic Ride Control gives you the smoothest, quietest ride of them all—a level ride on straightway, on even keel on curves.

Out-sizes them all!

The '52 Ford has longer wheelbase, wider front tread and greater length. It's big outside and big inside, with spacious seating for six and the largest luggage locker of them all.

Full-Circle Visibility!

With narrower corner pillars, picture windows all around and rear window that's 48% larger you have "all-direction" vision that adds to your enjoyment and your safety.

Out-performs them all!

Ford's completely new 101-h.p. high-compression, low-friction Six, with free-turning overhead valves, is the most modern Six in the industry. And Ford's high-compression V-8, now 110 h.p., is the most powerful engine in the low-price field. Both are available with performance-proved Fordomatic Drive.

Exclusive Power-Pilot Economy!

Both the new Ford Mileage Maker Six and the Strato-Star V-8 have the exclusive Ford Automatic Power Pilot. This completely integrated carburetion-ignition-combustion system gives you high-compression "go" on "regular" gas.

New Coachcraft Bodies!

Ford's new Coachcraft Bodies are longer, stronger . . . distinctive in their modern beauty. They offer new built-in construction which seals out dust, weather and noise. And Ford has more color and upholstery combinations than any other car in its field.

Out-values them all!

With such modern design and engineering features as new Flight-Style Control Panel, new Power-Pilot Clutch and Brake Pedals, new Center-Fill Fueling, and new counterbalanced hood and deck lid, Ford adds up to more dollars and cents value than any car in its price class!

'52 Ford

HULZ & PECKHAM

FORD DEALERS SINCE 1921

1422 Cabrillo TORRANCE

Fordomatic Drive, Overdrive, white sidewall tires (if available), and two-tone colors on Customline Sedan optional at extra cost. Equipment, accessories and trim subject to change without notice.

You can pay more but you can't buy newer or better!

Letters To The Editor

Reader Thinks 'Take Pride in Your City' Campaign Would Be Worthwhile Project

The Torrance Herald:

The constant clutter of old newspapers, candy wrappers, paper bags, paper cups, banana peels and other refuse in certain sections of our downtown area has annoyed me for some time, and I've heard comments from others, particularly visitors.

I know the city is trying desperately to keep our city clean—and one step in the right direction has been its insistence that all alley refuse must be put in containers.

Keeping our city clean is not up to the city authorities alone—it is every resident's and merchant's responsibility. If parents would teach their children not to throw refuse in the streets—and then set a good example themselves by taking advantage of the refuse containers our Junior Chamber of Commerce thoughtfully placed at strategic points in our downtown area, we would have a city we could be proud of. We have a very pretty city, and it could be a model city if all of us would take pride in it.

Couldn't you start a "Take Pride in Your City" campaign and keep everyone conscious of the campaign through articles or a constant headline in the Torrance Herald?

This, to me, would be a very worthwhile project. Let's forget "Simba" and how many not-so-good looking gals live in Torrance and all such nonsense, and start something we can do something about.
