Third Annual Drive Tonight

Torrance mothers will march on Polio from 7 until 8 tonight throughout this community.

Armed with pots and pans, the volunteer mothers will call on every family whose lighted porchlight indicates their wish to contribute to the March of Dimes. Persons living in apartments may tie some object to their doorknobs.

Over 90 county communities are participating in the Mothers' March which climaxes the 1952 March of Dimes. Residents are urged to "open their hearts" to the mothers who want to help the March of Dimes and all polio patients.
