## Mother of Local Resident Dies

Funeral services for Mrs. Lily Arensmeyer, 51, mother of John Arensmeyer, of 4160 W. 173rd St., were held Saturday in the Hardin and Flanagan Mortuary, Inglewood.

A resident of Inglewood for 30 years and a native of St. Louis, Mo., she died at her home Jan. 30, following a lingering illness.

Interment was in Inglewood Park Cemetery.

## BUSY MINES

Nearly five billion tons of coal were mined in the United States between 1940 and 1948.

## Kettler Kapers

By Virginia Jones, Lom. 1256-J and Teo Cunningham, Lom. 232 Lomita 1256-J

February is indeed a busy month! First we have a new member on the reporter roll that I'd like to introduce. Mrs. Teo Cunningham has offered to gather news, so please telephone her at Lomita 232-J for news concerning Kettler Knolls.

A warm welcome is extended to new Kettlerites James and Betty Cicchini and children, Michael and Patty, who have moved into 1760 Santa Fe. They formerly lived in North Torrance.

## Arrangements Being Made For Visit of X-Ray Unit

Hostesses for the County Health Department's chest x-ray program in Torrance Feb. 18 are being recruited from the Torrance Business and Professional Women's Club, according to Mrs. Minnie Brooks, health chairman.

The chest x-ray unit will be parked in front of the Safeway store at the corner of Sartori Ave. and El Prado Monday, Feb. 18 from 10 a.m. to 3:30 p.m., Mrs. Brooks said.

Club members will also distribute literature and are going from store to store inviting merchants and their employees to avail themselves of the opportunity to receive a chest x-ray.

Although many persons received chest x-rays during the recent county-wide chest x-ray survey, Dr. Roy O. Gilbert, county health officer, is advising that persons over 15 years of age have a chest x-ray annually.

These x-rays may show abnormalities of the chest such as tumors, enlarged heart or tuberculosis. This service provides protection for the person exposed, his family and others in the community.

An early diagnosis of chest ailments insures prompt treatment and x-ray is one means of determining whether or not an abnormal chest condition is present, the health officer pointed out.

There is no charge for the service, which is tax-supported.

## Jailed Fiance Jilted as Gal Leaves State

Any plans for marriage which Miss Marlene Eason, 1243 Ocean St., may have had for Eddie Cristanelli, Harbor City, probably were shattered for good last week when the girl packed up and left the state.

Miss Eason said she would "stick by him" a week ago when hubby-to-be was carted off to San Pedro jail on a burglary rap. But today she is gone. Unofficial sources state that her father sent her to live with relatives.

Cristanelli and two confederates last Friday pleaded guilty in Municipal Court and were ordered held for trial in Superior Court.
