

NORTH TORRANCE TATTLER

By MRS. EILENE ALLISON
MEMO 4-430

The school bond issue will be presented to the people Tuesday, Feb. 26. Your school is the place to vote on this bond and if you need transportation or a baby-sitter call your school and arrangements will be made by your PTA. Polls will be open from 7 a.m. to 7 p.m. All registered voters are urged to turn out. This \$3,000,000 bond will provide for three elementary and one high school to be erected in the immediate future. The cost to the taxpayer will amount to \$90 per resident, to be paid over a period of 25 years. This is less than \$2.50 per year, a small fee to prevent some 600 children from attending double sessions as it now stands. This fund will go for building, land and equipment. Your vote is needed!

I was most happy to have the opportunity to speak with Mrs. Andy Irvine of 4239 W. 178th St. At long last her son, Bob, who has been overseas with the First Cavalry Div., 15th Medical Battalion, got a call through to his family! It was 3:30 in the morning, but no one cared as they listened to the cheery voice of Bob, who is on a rest leave after these five months of action on the very front lines in Korea. Everything was fine at that end of the line and all Bob wanted was a discharge, which he hopes to obtain in another ten months. At the Irvine home, 14-year-old Doug was a near casualty this week as he fell over a 20-foot embankment while running with a group of the boys in the neighborhood during a picnic at Griffith Park. X-rays have been taken to determine the extent of the injury to his foot; also to his wrist and nose. Some fall!

The Alex Bates were very surprised to receive a call from Chaplain Leon Clark, Lt. Col. in the Air Force, stationed at Parks Field near San Francisco. Chaplain Clark is a boyhood friend of Alex, who is from Petaluma, Miss. While enjoying the dinner, which by the way was Alex's birthday dinner, he was informed by his ever loving Janice that he had been given three lovely carnations for his birthday! A look of surprise came over his face, since he wasn't aware that he was a flower lover. That's all right, Alex, the bushes will grow on you! And I might add, Happy Birthday!

Speaking of birthdays, I hear it took more than the piggy bank to hold the pennies that Ed Collins dropped at the Community Church this Sunday! Did I get that count right, Ed?

I hear tell there will be a dance at Verbena Dairy Rumpus Room, March 29, a Boy Scout benefit sponsored by the Parents' Auxiliary. Troop 761 will sell tickets. A 50c ticket entitles you to an evening of dancing and refreshments. Keep this date in mind.

C. Edwin Good and Miss Peggy Barnhart were married at the Orange Blossoms Wedding Chapel in Yuma, Ariz., Feb. 7. Miss Barnhart's mother was married at the same place 25 years ago. After a honeymoon to Chicago via United Airlines, the couple will reside at 17017 Crenshaw, the home of Mrs. Jean Chad-

wick, mother of Edwin. Buddy Powers, 4315 W. 178th, senior at Torrance High School, was a weekly winner on the Range Riders TV show last week, and appeared again this Monday. Buddy has a very nice voice and did himself proud.

It was a very surprised Helen Pierce who opened the door to be greeted by a group of friends gathered to celebrate her birthday with cake and all! Refreshments were served, gifts were opened and the crowd spent a very enjoyable evening dancing to the music of Lawrence Wolf at the Aragon ballroom. Those tripping the light fantastic were: the Norman Hales, Henry Brewers, J. R. Allison, Russell Holecicks, M. Stubbs, J. T. Miller, Curt Lowthers, Jim Adamson, and the Homer Piores. This was the first birthday party Helen has ever had, but one that she will not forget soon.

179th St. seemed to be bad luck street this past week. John Leinger not only suffered a bump on the head from an unfortunate game of blind man's bluff, but was hit near the eye with a train track, and required stitches. Kenny Purviance, of 4304 W. 179th St., stepped on nail and received shots, which made him ill. Both boys are recuperating, however.

After comparing notes up and down the street, I find that Valentine's Day didn't leave the fellows too solid with their wives.

RONALD HAZELWOOD
... Gets Combat Award

Torrance GI Awarded Combat Medical Badge

Award of the Combat Medical Badge to Pfc. Ronald L. Hazelwood, son of Mr. and Mrs. Harry L. Hazelwood, was announced by the Army yesterday.

Hazelwood, a former Torrance High School student, is a medical aid man in the 32nd Infantry Regiment serving in Korea. He entered the Army Feb. 19, 1951.

The young soldier, who was sent overseas last October, has also been awarded the Korean Service Ribbon with one campaign star since his arrival in Korea.

His parents, former Torrance residents, now live in Bellflower. The Combat Medical Badge is a symbol of the frontline combat medical aidmen, the Army said when announcing the award. It is silver in color and consists of a miniature cross on a Medical Corps caduceus superimposed over a wreath.
