

## Senness to Open Valley Office

K. Sande Senness, developer of Pacific Hills, will open a construction headquarters in Antelope Valley next Saturday. It was announced yesterday.

The new office of the prominent Southland builder will be on Sierra Highway and Avenue J Lancaster. He now has 23 homes under construction in Lancaster.

He plans to construct a 365-unit project in Lancaster this spring.

Senness reported that he will continue to maintain his present main office in Torrance.

## Classified Ads Draw Attention Of Korean GIs

M/Sgt. James F. Wilkes, of the 578th Combat Engineer Battalion in Korea, got more takers than he could handle recently when he put the following classified ad in the Bull-Dozer, official publication of the battalion:

"Wanted: Rider to L. A. State expenses. Will leave Saturday noon. M/Sgt. James F. Wilkes, S-3 Section."

Sgt. Glen R. Everett, however, got no takers with his classified in the same issue—the February 12 edition:

"Will Trade: Two almost new tennis rackets for one deep, insulated fox-hole. Sgt. Glen R. Everett, Personnel Section."

It took Sgt. Pete Madonna to tell all his troubles in a simple classified, however. His little ad read:

"Strayed or Lost: My replacement. Sgt. Pete Madonna, Assault Platoon."

Other classified ads in the mimeographed newspaper published in Korea by the 578th offered such valuable items for sale or trade as "zebra-striped swim suit," and "autographed copies of 'Up Front'."

Like faithful readers of the classified section always say: If you want to know the news of the community, read the classified ads.

## Three Marines Seek Pen Pals

Three lonely Marines in Korea this week petitioned the Torrance Herald to give them an assist in answering mail call.

The three Leathernecks wrote: "... when mail call comes around, we very seldom make out. We would appreciate it if you would print our names in your paper requesting mail from the opposite sex."

Signing the letter were: Pfc. William A. Ganett, Pfc. George M. Washko, Pfc. Merle A. Wangman.

Mail to any of the three can be sent to the 1st Amphibious Truck Co.; 1st Marine Division, FMF; c/o FPO San Francisco.

## State to Aid In Reporting Income Taxes

Representatives of the State Franchise Tax Board will set up temporary offices in the southwest Los Angeles area during the next two months to aid residents with their 1951 California income tax forms, it was announced yesterday by Bruce W. Walker, area income tax supervisor.

Offices will be open in the Inglewood City Hall on March 10 through 15 and again April 10 through 15.

San Pedro Chamber of Commerce headquarters at 820 S. Beacon St. will house a representative from March 17 through March 20.

A representative will be in the Wilmington Chamber of Commerce office at 327 N. Avalon Blvd. on March 7, a week from tomorrow.

Deadline for filing a report on state income taxes is April 15, one month after the deadline for Federal tax forms.

## Sunday Concert Date Announced

A Sunday afternoon concert of the Torrance Concert Orchestra has been scheduled for March 23, Abe Milstein, conductor of the orchestra, announced yesterday.

Featuring the Adult Orchestra of 40 musicians and several piano soloists, the format of the concert will follow that of a year ago when the first "Keyboard Concert" was presented.

The soloists for the March 23 concert will range in age and musical development, Milstein said.

The concert will be held in the Torrance High School auditorium and it will be free to the public, as the orchestra is part of the Adult Education program carried on at the school.
