### NEW HOURS NOW LAW

New California sports laws went into effect with the coming of the first of March, the State Department of Fish and Game reminded this week.

The number one thing to remember, says the State, is the new shooting hour regulations. Officially, the Commission of Fish and Game law reads:

"Shooting hours for all species of resident game shall be one-half hour before sunrise to one-half hour after sunset except between November 22 and December 1, inclusive, when shooting hours will be from 8 a.m. to 4:30 p.m. in all counties lying north of San Luis Obispo, Kern and San Bernardino."

Waterfowl hunting hours are not affected by the new rulings for taking resident game.

### Collect Second Win In Mira Costa Tilt

Torrance High's varsity horsehiders will be loaded with spiteful revenge when they journey to Norwalk this afternoon in an attempt to punch back the Excelsior High nine in the third practice fray of the new baseball season.

Coach Dick Leech's crew collected their second win Thursday when they shut out Mira Costa High, 5 to 0, on the local park arena. Manuel Olloque held the hill for the full seven innings and gave up only three swats.

The freshman twirler also collected one hit for three tries at the plate. Shortstop Bill Crawford was the big scorer of the afternoon, however, pounding out one hit, but scoring twice.

A second game on the sked last week, with La Jolla High, was called off because of wind and rain. The foul weather played havoc with the local sports picture.

Playing with only nine men—no substitutes—the varsity hickory men cashed in for runs in three innings out of the six. They faced foe hurler Carl Osterhaus 24 times, garnered four hits and chalked up five runs. This afternoon, should the poor weather hold off, Leech probably will let Olloque do the throwing. Spare hurlers include Charlie Camou, Tom Vanderpool and Larry Roy.

In an earlier prep match with Excelsior, the locals were nudged 2 to 1, with third baseman Bob Lemaster collecting the only run of the day for the Tartars.

At that time, however, the crew was playing without the services of a couple of top ball

handlers who were still wearing the colors of the Tartar basketball squad.

Leech will throw in his prize starters today in an attempt to do more than merely reverse the prior scoring.

The locals are priming for the first BIG home contest of the season, that with the Narbonne High sticklers on the Torrance Park diamond, Friday evening, March 14.

Coach Cliff Graybehl's junior varsity outfit was unable to overcome Mira Costa's four-run rally in the third frame and went down to a 4 to 3 defeat on the MC diamond Thursday.

Micochi pounded out six hits compared to the Tartar babe's seven, but came across the scoring plate one more time.

Graybehl's crew will take on Excelsior at the home diamond today while their varsity brothers are being hosted out Norwalk way.

### Stock Cars To Grind At Carrell

Stock cars will grind their way over a 100-mile championship race at Carrell Speedway Sunday afternoon in the great stock car get-together event staged in the Southland, according to racing officials.

Carrell's banked curves and firm clay surface will allow passing on the corners and a smooth surface during the entire grueling race with no pitfalls to slow the cars, one official said.

Lincoln, Fords, Chevies, Henry J's and the Hudson Hornet will pit their speed against the Olds 88. The Olds has dominated stock car racing all over the country for the past year.

A field of 30 cars is expected to contest in the classic 100-mile.

Admission is \$1.50 for bleachers, \$2.50 for grandstand. Kids under 12 are admitted free if accompanied by an adult.

### Rain Drowns First League Track Try

Farmers like rain, weathermen like rain (sometimes), school kids like rain, but athletes—they have no use for the little dewy droplets 'cause rain fouls up the works.

So this week Torrance High's untied track and fieldsters will have a go at it again, but this time with the once beaten Beverly Hills thineclads on the

Beverly oval.

The Bay League opener, a three-way fest with Redondo and Leuzinger, was wiped off the slate last Friday because of heavy rains. All eyes have been casting a skyward glance this week with hopes that old Sol will penetrate through the haze enough to keep the cinders dry.

Coach Vern Wolfe's varsity and Bee spikemen will enter the fray with hopes of giving the Beverly boys a shellacking some what like that which Ingelwood handed them early this week.

Bob Brown, local sprint ace, might offer Beverly's short race men some mighty stiff competition and might be able to knock

the timing of 10.4s. recorded by Beverly's Bud Hughes Monday.

Tartars who will be out to surpass these marks will include Ray Kelly, Larry Roy and Buddy Powers in the high jump, Joe Rojas, Buz Zamaura and Hector Herrera in the mile, and Tom Long and Tom Robinson in the half-mile.

Other middle distance hopefuls include Guy Farrington, Lee Mortenson, Bob Guerra, Hal Holmes and Ted Marcoux.

On the sprint list, Coach Wolfe's big hopes are in Harry Bayliss, Brown, Powers, Doug Foulger and Burt Smith.

The Tartars' shortcomings are mostly in the field events, where performers are mostly inexperienced. The crew will be doubling up in most events, with many of the runners filling the gaps in the broad jump, shot put, pole vault and high jump.

Cee and Dee thineclads will have a go at Beverly also, but Wolfe has not made final decisions as to who will run what in these categories. Because he is short of top varsity performers, Wolfe will glean the ranks for varsity men, then sprinkle other eligibles throughout the other rosters.

#### WORLD MARKS

Twelve world marks received the "official" stamp at the International Amateur Athletic Federation meeting in London last year. Nine had been established in 1950, two in 1949, and one in 1945.
