Six Autos Banged By Hoppin Hyster

Six cars were bumped and banged Monday afternoon when a cab-over Hyster truck went out of control on Plaza Del Amo in front of the Board of Education offices.

Carl A. Scroggin, 21929 Dolores Ave., driver of the lift-type truck, told Torrance policeman J. B. Miles that he was traveling at about 15 miles per hour, backwards, as he was necessary when driving a Hyster. His machine went out of control and smashed into the cars. Autos receiving bumped fenders and front grills included those of A. B. Clements, Hawthorne; Doris E. Hakanson, 2720 Gramercy Ave.; Evelyn A. Clark, 1548 1/2 Marcolina Ave.; Wm. J. Brodsky, 2508 Leserman Ave.; J. J. Sheehan, Redondo Beach; and Florence Simon, 1720 Andro Ave.

FIRE RAZES TRAILER IN POURING RAIN

Fire did an estimated \$300 damage to a trailer home parked in a trailer court at 17324 S. Figueroa St. before it was quelled by county fire crews early Friday morning.

Firemen from the Carson St. station joined with another county fire company and one Los Angeles city fire rig to fight the blaze—in a pouring rainstorm.

Capt. Ed Evans, Engine 36, was in charge. No one was injured.

Torrance's Two Hospitals Fully Approved In Survey

Torrance's two hospitals—Harbor General and Torrance Memorial—were given clean bills of health this week with the release of the 34th annual list of approved hospitals compiled by the American College of Surgeons.

Included in a list of 4111 hospitals of 25 or more beds, the two Torrance hospitals were among the 2991 fully approved by the college.

Each hospital in the survey is reconsidered for approval each year.

The Standard for Hospitals, set up by the college as a basis for approval, includes the following fundamental principles:

- 1.—Modern physical plant, assuring the patient safety, comfort and efficient care.
- 2.—Clearly defined organization, duties, responsibilities and relations.
- 3.—Carefully selected governing board with complete and supreme authority.
- 4.—Competent chief executive officer or administrator, well trained in all phases of hospital administration, with authority and responsibility to interpret and carry out the policies of the hospital as authorized by the governing board.
- 5.—Adequate and efficient personnel, properly organized and competently supervised.
- 6.—Organized medical staff of ethical, competent physicians and surgeons.
- 7.—Adequate diagnostic and therapeutic facilities under competent medical supervision.
- 8.—Accurate, complete medical records, readily accessible for research and follow-up.
- 9.—Regular group conferences of the administrative staff and of the medical staff for reviewing activities and results so as to maintain a high plane of scientific efficiency.
- 10.—A humanitarian spirit—the primary consideration being the best care of the patient.

Outings For Boys Offered

Boys who would like to spend a few days outdoors at the Griffith Park Camp over the Easter vacation should place their reservation with the Los Angeles City Department of Recreation and Parks at once, it was announced yesterday.

Only a few reservations are now available.

Boys may make reservations for one of the three-day outings by contacting the recreation director at a local city park (Normandie Park is at 223rd St. and Halldale Ave.) or by calling the department, Michigan 5211, Station 52.

A fee of \$5 for the outing covers two nights' lodging, meals and participation in games, sports, horseback riding and campfire fun.

Easter vacation outings will be held April 4-6, April 6-8, April 8-10 and April 10-12.

MALAYAN MURDERS
One out of every 25 Malayan rubber planters has been murdered by Communist terrorists in the past four years in an attempt to cut rubber production.

Salvation Army Asks Housewives To Clean Out Closets, Garages

Torrance housewives can perform a social service when they clean out closets and garages during spring cleaning, Brigadier Ranson D. Gifford, manager of the Salvation Army Social Service Center which serves this area, pointed out this week.

He explained that castoff articles which are uncovered will help the Salvation Army to carry on its program of social rehabilitation.

Discarded materials donated last year by Torrance residents and reconditioned in the Social Service Center's workshops, provided needy and handicapped men with thousands of hours of work therapy, meals, beds and financial aid, Brigadier Gifford said.

During the annual Torrance Salvage Week drive April 6 to 12, a special fleet of Red

Help Offered On State Tax

Residents of this area can still get help in filing their 1951 California Income Tax forms. Bruce W. Walker, area income tax supervisor, announced yesterday.

Representatives of the Franchise Tax Board will be at the Inglewood City Hall today, tomorrow and Saturday, and again during the week of April 7-15, Walker said.

Other representatives will be at the San Pedro Chamber of Commerce office at 820 S. Beacon St. next Monday through Thursday. The service of these state officials is free.

Marine Private Attends Food Service School

Marine Private First Class Charles J. Randall, 23, son of Mr. and Mrs. Albert M. Sacks, 21414 Grace St., is attending the Food Service School at Camp Lejeune, N. C.

As a student cook Randall will receive an eight-week course of instruction in personal hygiene and sanitation, safety, operation and care of equipment, methods and preparation of food, garnishing and serving.

Wreck 'Victim' Gets Free Ride—To City Jail

Figueredo-Miller ambulance and Traffic Officers Don Nash and Harvie Turrentine rushed to 190th St. and Crenshaw Blvd. last Wednesday night after Gardena Police Department reported that the crumpled body of an apparent hit-run victim was along the road.

Upon arrival they found the victim very much alive and staggering around the street.

"I want a free ride downtown so I pretended to be hurt," police reported he said.

So they gave him one... to the city jail, where he was booked on a drunk charge.
