Hope for Dry Weather

Samohi Rated High As Tartars Invade

Tartar trackmen put the galoshes back in their lockers this week and turned a weather eye upwards—cause the local thin-chads journey to Santa Monica this afternoon and they'd give anything to run this one on a dry track.

The powerful Samohi cindermen will host the Tartars for their third meet of the year at 2:30 in a Bay League contest.

Torrance was handed a setback by Inglewood, the 1952 contenders for the crown, but they edged past Leuzinger by 10 tiny points in a tri-way running held in the rain up Inglewood way last Friday.

Inglewood rolled to a 116 to 33½ to 22½ victory over her two foes. The Olympians blanketed the field and came up with a winner in every event column.

No outstanding clockings were recorded on the wet track. The Tartar mudders clomped to their first victory in a delayed contest with Beverly Hills late last Wednesday. Bill Crawford, Warren Bennett and Doug Foulger tallied the only firsts for the Tartar men, with Larry Roy, Buddy Powers and Burt Smith nabbing ties in the 120 high hurdles, King (T), Ashier (T), Mollard (T), Sim-bay (T), 15.25.

Crawford broke the tape in the mile, Bennett won the shot put and Foulger outdistanced others in the broad jump. Roy and Smith tied for a win in the pole vault, and Powers and Roy came through with a Beverly Hills gent in the high

Gardena Tied 4-4 In Last Prep Fray

It's a league opener for the Tartar horsehiders on the local city park diamond this afternoon at 3 o'clock when the Torrance nine goes into action against Inglewood.

Torrance will meet the 1952 Bay League crown winner and will be out to duplicate their practice record on conference foes.

The locals have come home with four wins in prep frays, one loss and a 4-4 tie—to Gardena last Tuesday evening.

Larry Roy held down the mound chores for five innings in the Gardena tussle and gave up two hits to the Mohicans.

Charlie Camou took over in the sixth and went the rest of the way, letting loose of one hit.

It was a poor day for the in-

fielders, who virtually fell apart and allowed the Gardena tallies on errors. The foes came home on two bobbles in the second frame and two more in the fifth inning.

Scoring for the Tartars were Bob Lemaster, hustling third sacker; Bill Crawford, Jim Murphy and Burt Smith, Smith's double drove in the tying run last week.

Scheduled for play last Friday night under the park area, a game with the Narbonne Gauchos was postponed because of foul weather.

Baseball Mentor Dick Leech said this week that arrangements are now under way for a rescheduled get-together, either in another week or not until the last of May.

Starting for the Tartars this afternoon will be Roy at first, Murphy at second, Crawford at shortstop, Bob Lemaster at the hot corner, Ed Palmer at left field, Walt McHenry at center, and Smith at the right field post.

On the mound it'll be either Camou or Manuel Olloque. Completing the battery will be either Frank Christensen or Johnny Spiller, two top-notch catchers who peg a mighty wicked second base pick-off.

Spiller, a senior, is being pressed for the starting spot by Christensen, a hustling, fast, throwing platemate.

Relief pitchers include First Basemen Roy and Bob Bowen. Roy White will take over at first when Roy is huriling.

Inglewood's Tod Burlingame hurled a two-hitter against the Mira Costa nine in a league tiff held at Clark Stadium last week.

The Sentinels sent two runs across in the fourth, fifth and seventh frames to close out the Costa crew.

METRO LEAGUE TRACK OPENS WITH RELAYS

El Camino will unveil her 1952 '52 squad. Spunky Steve not only sprints a mighty mean 100-yard dash, but performs equally well in the discus and fills in when needed for sprint relay squads.

John Givens, Joe Link, Shanks and Dombrowski will comprise the 880-yard relay foursome.

Field event entrants for the Warriors' side will be Steve Daggett, Bill Alvarez and Dombrowski in the discus, and Henry Compagnon and Givens will leap in the broad jump. Compagnon is the other returning letter wearer.
