'Here We Go Again,' Theme of Thinclads

Torrance High's still untried trackmen will meander over to Inglewood High tomorrow afternoon at 2:30 to face Leuzinger and Inglewood in tri-way festivities. The Tartars have been washed out in one previous track meet attempt.

The untested lads will be up against two veteran squads. Inglewood who trounced Beverly Hills, and Leuzinger who was crushed by Mark Keppel in a practice session last month.

Coach Vern Wolfe will be putting up, among others, Bob Brown, sprint ace who last year made mincemeat of class. Cee 180-yard marks, and Buddy Powers, another time-tested sprinter.

Meet Gauchos Under Arcs Tomorrow Here

Cross-town rivalry will spark anew Friday night when Torrance High's horseholders play host to the Narbonne High Gauchos in the only night tiff of the year. It's a non-league fray.

The play-ball signal will sound at 7:30 under the arcs of the Torrance City park diamond.

In a practice session last week, the Tartar men reversed a previous decision handed to them by Excelsior High's swatters and dumped them 8 to 6 at the Norwalk diamond. Charlie Ca-

Warriors Host Bakersfield for Season Opener

El Camino sports fans turn their attentions baseball-ward this week-end when the Warriors pound out the start of the Metropolitan Conference horsehide race.

Bakersfield will invade the Camino diamond tomorrow afternoon at 3 p. m., and the locals will journey to Santa Monica for game No. 2 Saturday afternoon.

Coach Dick Essick's crew has compiled a record of two wins, one loss, three consecutive tie games, and two rained out tilts in practice affairs so far.

Essick is depending on the pitching arms of Tony Raia, Ron Zabotki and Don Carlwood, although Raia has been nursing a sore right limb. Behind the plate tomorrow will be Matt Skulch. Bud Berg is a reservist here.

At the bases, Bud Reagan is listed to start at first, Stan Garris at the second base post and John Mitchell at third. Walker should be filling the shortstop gap.

Many skills of many people go into the big job of providing telephone service in the West today.

FIVE BILLION CONVERSATIONS

This huge number of telephone calls a year is the important responsibility of 73,000 men and women in the West.

Five billion conversations! By day and night, in cities and towns, across valleys and over mountains, the West's telephone lines are busy carrying the calls that in a year total more than twice the population of the earth! Some calls are routine, others may save a life, but each call is vital to capable telephone people everywhere as they work at the wide variety of telephone jobs needed to serve you, and the nation well.

This telephone team, for instance, is pinpointing the location of a buried cable which needs repairs. The cable will be fixed quickly... and calls will flow again. Fenwick's Murders George's for Crown

It was "real George" for the Fenwick's Shoe Repair five Wednesday night as they copped the flashy 1952 Municipal Cage cup with a 118 to 57 slaughter of George's Meat 'N Place champions of the B League race.

Bob Chambers came through with 39 points to nose out Paul Smith, the usual breadwinner for the Fenwick's crew. Smith was not far behind, though, with 37 counters.

George's, who clobbered National Supply two weeks back to gain a chance to face Fenwick's, played fair ball, but the shoe repairmen played too much better. Their greater height and
