Judge Willett Explains Court Jurisdiction In Juvenile Cases

In answer to frequent questions concerning the role of the Municipal Court in dealing with juveniles, Judge Otto B, Willet in a talk before a group of Lomita citizens this week stated that such court has no direct jurisdiction over juveniles under the state of the

Darby Orders Clean Sweep Of Beaches

Spring cleaning time has arrived for all Los Angeles having broom" is on the job. County beaches and the "big broom" is on the job. County beaches and the "big broom" is on the job. County beaches and the "big broom" into action for the next four months, sweeping and cleaning the beaches for an estimated record summer throng. The "big broom" is a two-ton sand sterilizer, purchased by the county, which moves over the sands, straining them of rocks, glass, and other items of rocks, glass, and other items most likely to make the sun bather uncomfortable.

The huge yellow machine will take at least a month to clean the sands, getting the beachered yield the provisor Darby said. "are used by millions of people every summer. It is only right that the county keep the beaches," Supervisor Darby said. "are used by millions of people every summer. It is only right that the county keep the beaches," Supervisor Darby said. "are used by millions of people every summer. It is only right that the county keep the beaches, and the sun bather can enjoy himself."
